

Scrutiny Newsletter: What's Important to You?

South Norfolk District Council's Scrutiny Committee will be looking into issues of real concern to local residents over the next year. We need to know what YOU think about these subjects to ensure that the Council's policies reflect local needs.

Community Reference

All town and parish councils have the ability to raise any issues of concern for the Scrutiny Committee to consider. Use the contact details below for more information.

Holiday Activities

We help run a lot of activities in the holidays for young people of all ages. We want to look at them to see if they can be improved. Have you or your children ever participated in an activity or do you have any suggestions for new ones? Let us know what you think.

Conservation Areas

Should we be doing more to preserve the special character of conservation areas, bearing in mind the amount of time and money needed for this area of work? We will be considering this soon – to help us, let us know if you have any comments.

Neighbourhood Forums

Now the neighbourhood forums have been up and running for a while, scrutiny will be reviewing their membership, effectiveness and outcomes. If you have attended a meeting, or would like to apply for a grant, or just find out more, contact us.

Contact us:

If you wish to comment on any of the issues mentioned above, or want to raise a topic which you would like the Scrutiny Committee to look into, then please either;

Call: 01508 533602

Write to: Scrutiny Officer, South Norfolk Council,
Swan Lane, Long Stratton, Norwich NR15 2XE

On-line form on our website:

<http://www.south-norfolk.gov.uk/democracy/2526.asp>

Here you can also find out about future meetings, minutes of past meetings, what to expect if you attend a meeting of Scrutiny and reports such as the Annual Report of Scrutiny.

Environmental Crime Teams

Have you seen our teams out and about, picking up litter, removing graffiti or fly tipping? Now these teams have been in place for a few months, we want to consider how effective they are. If you have any comments, praise or suggestions for improvement, let us know.

Sport Development in South Norfolk

We want everyone in South Norfolk to have access to a wide variety of sport and we will be looking at a plan to help achieve this. If you have any thoughts about the sport available where you live, whether you think it is great, or could be improved, get in touch – details below

Problem Debt

This is a growing problem and so we will be looking at what the common causes are, and what role the council could have in helping people in difficulties or perhaps if we could help people before they get into serious debt. If you think you could help, let us know.

Energy Consumption

We want to reduce our own energy consumption and also consider any ways we can help the residents of South Norfolk to cut down on energy – thus saving money and the environment! Want to help? Let us know.

Partnership Reviews

We will be looking at our housing partnerships in the near future to ensure we are getting the best deal for our residents.

Calling all Young People!

You may think none of this affects you, or that the Council won't listen to you because you're young. We will however and we do! Find out about how you can be involved in democracy and South Norfolk Youth Action (SNYA) by using the contact details below.
