

What's Important to You?

South Norfolk District Council's Scrutiny Committee will be looking into issues of real concern to local residents over the next year. We need to know what YOU think about these subjects to ensure that the Council's policies reflect local needs.

Community Hospitals

You may know that the Norfolk PCT has launched a consultation called "Our Health, Our Care, Have Your Say" which describes their proposals around the future of intermediate care. The changes affect some community care beds in South Norfolk so if you are concerned about this, either log onto their website:

<http://www.norfolk-pct.nhs.uk/intermediate/consult/index.html>

Or contact us (details at the bottom of the page).

Partnership Reviews

Scrutiny Committee is looking at a number of partnerships the Council is involved in, to ensure we are getting the most out of our partnerships. These include Active Norfolk, the Broads Authority, Supporting People and many more. To find out more, use the contact details below.

Planning Consultees

Have you ever applied for planning permission? If so, the chances are South Norfolk Council needed to consult various bodies (Highways, Environment Agency, Drainage Boards etc) to help us decide the outcome of the application. We are looking at the methods by which we consult and seeking improvements. If you have any suggestions, contact us – details at the foot of the page.

Bus Provision Across the County

A Task Group has been set up in conjunction with Norfolk County Council, Broadland District Council and Norwich City Council to look at the whole issue of bus provision across Norfolk. If you think the bus service you receive is great, or could be improved, get in touch – details below.

Calling all Young People!

You may think none of this affects you, or that the Council won't listen to you because you're young. We will however and we do! Find out about how you can be involved in democracy and South Norfolk Youth Action (SNYA) by using the contact details below.

If you wish to comment on any of the issues mentioned above, or want to raise a topic which you would like the Scrutiny Committee to look into, then please either call the Scrutiny Officer on 01508 533602 or write to the Scrutiny Officer, South Norfolk Council, Swan Lane, Long Stratton, Norwich NR15 2XE or use the on-line form on our website which can be found on our dedicated section of the website: www.south-norfolk.gov.uk/ .
