Dear Respondent,

I refer to my letter dated 1 March in which I confirmed the dates of meetings in respect of this examination.

The Exploratory Meeting took place on 29 March and a briefing note from the Inspector outlining the main points is available to view on the Council's website [www.south-norfolk.gov.uk](http://www.south-norfolk.gov.uk).

The outcome of the meeting was to suspend the examination for three weeks to enable the Council to reconsider the Inspectors concerns and to await further details from the Health and Safety Executive in respect of the site at Stanfield Road.

Accordingly, the Pre Hearing Meeting scheduled for 12 April has been cancelled and will be re-arranged if the Council indicate that the examination is to proceed. All other dates quoted in my original letter are also subject to change.

Please do not hesitate to contact me if you require any further information.

Yours sincerely

Julie Burgess  
Programme Officer
