

Important Notes:

Bookings will only be accepted upon receipt of full payment and a completed booking form. No exceptions will be made to this rule.

Kids Camp strictly adheres to a staffing ratio of 8 children per staff member. Staffing is finalised on the previous day so if you turn up to Kids Camp without pre-booking there is a risk that we will not have enough staff to accept your booking.

For any cancellations, notice must be received 24 hours before the day of activity. If your child is booked in for a full day please ensure they have a healthy and balanced packed lunch. If you need guidance on what this could include please ask a member of staff.

Activities are subject to change depending on factors including weather and group characteristics. Listed are the main activities, many other supervised game/craft activities will run throughout the day.

If you want to view any of the Kids Camp policies and procedures please ask a member of the Kids Camp staff.

Please do not allow your child(ren) to bring any electronic devices or valuables.

KIDS CAMP
