

By clicking on an area, a popup will appear telling you the name of it

(1 of 2)  
Parish: SHOTESHAM  
Zoom to

By clicking on this arrow, you can select through the layers you have turned on. For example, if we were to select it now we would see the name of the district ward for Shotesham

Zoom in (+) or Zoom out (-) on the Map – You can also use the scroll on your mouse

Search Bar – You can search for a full address or the name of a new parish, parish ward, district ward or electoral division. Just start typing!

Home Button – This will return the map to look like this

Legend – A key to describe the symbols on the map

Base Maps – From here you can change the map underneath

Layers – Select this and then turn on or off the areas that you are interested in looking at
