Subject: Community Governance Review Bunwell PC
Attachments: Bunwell Parish Boundary.pdf

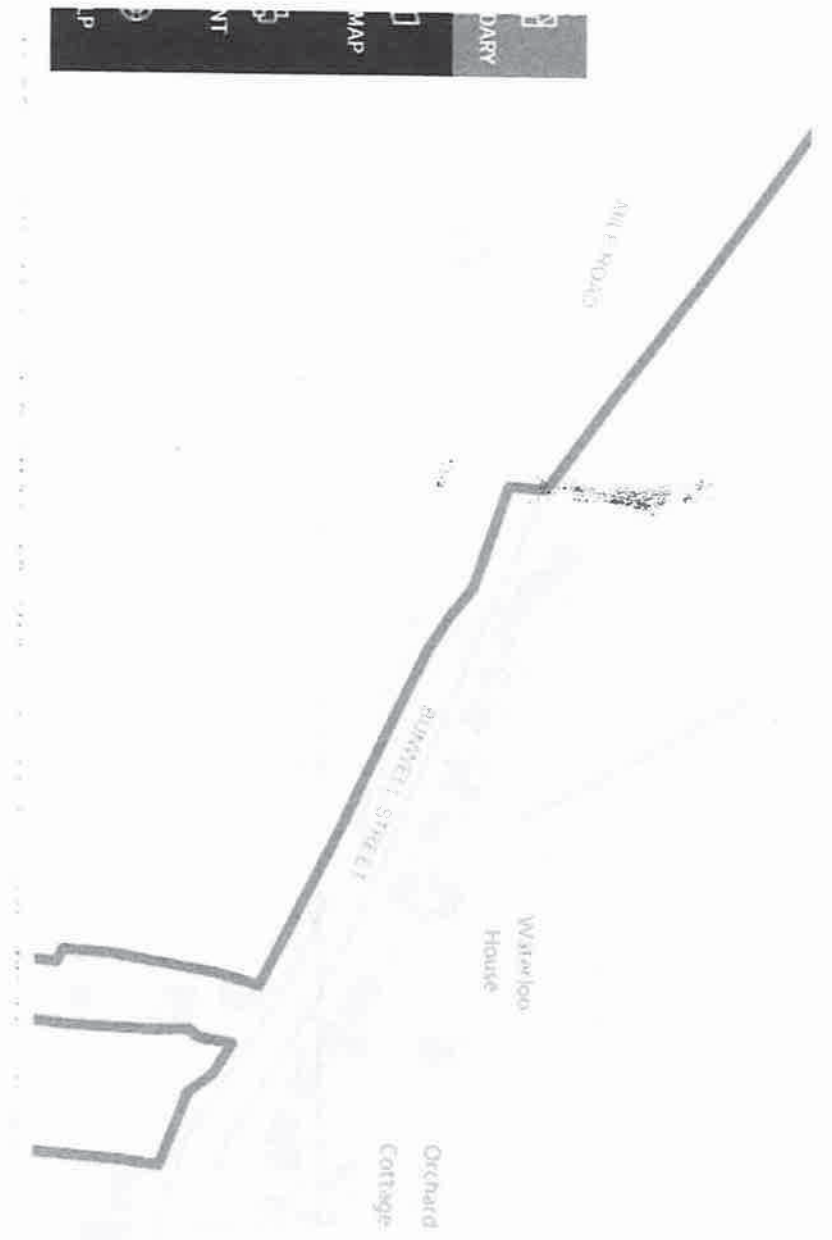

Dear Sirs

At the recent Annual General Meeting, several members of the public attended and expressed their views concerning the parish boundary between Carleton Rode and Bunwell. At present there 8 or 9 properties in Bunwell Street that are technically in Carleton Rode Parish. The residents strongly requested that their properties be moved into Bunwell PC and the Parish Council would agree with their request.

I am attaching a boundary map to show the properties in question, and would ask that these views be taken into consideration when assessing the parish boundaries.

Please let me know if you require any further information.

Margaret Ridgwell
