Community Governance Review

Burston & Shimpling spoke at SNC's meeting regarding this review, along with our neighbouring Councils Dickleburgh & Rushall, where a request was put forward from both Parish Councils that the border between the two parishes be amended – this is a reference to a small triangle of land that lies over the other side of the A140 from the Burston & Shimpling parish boundary, at the northern end of Dickleburgh – the areas outline on the attached maps.

This triangle of land to the East of the A140 which is presently Burston and Shimpling, but which is really located in the village of Dickleburgh should be transferred to Dickleburgh and Rushall if at all possible as the residents look more to Dickleburgh as their centre rather than Burston.

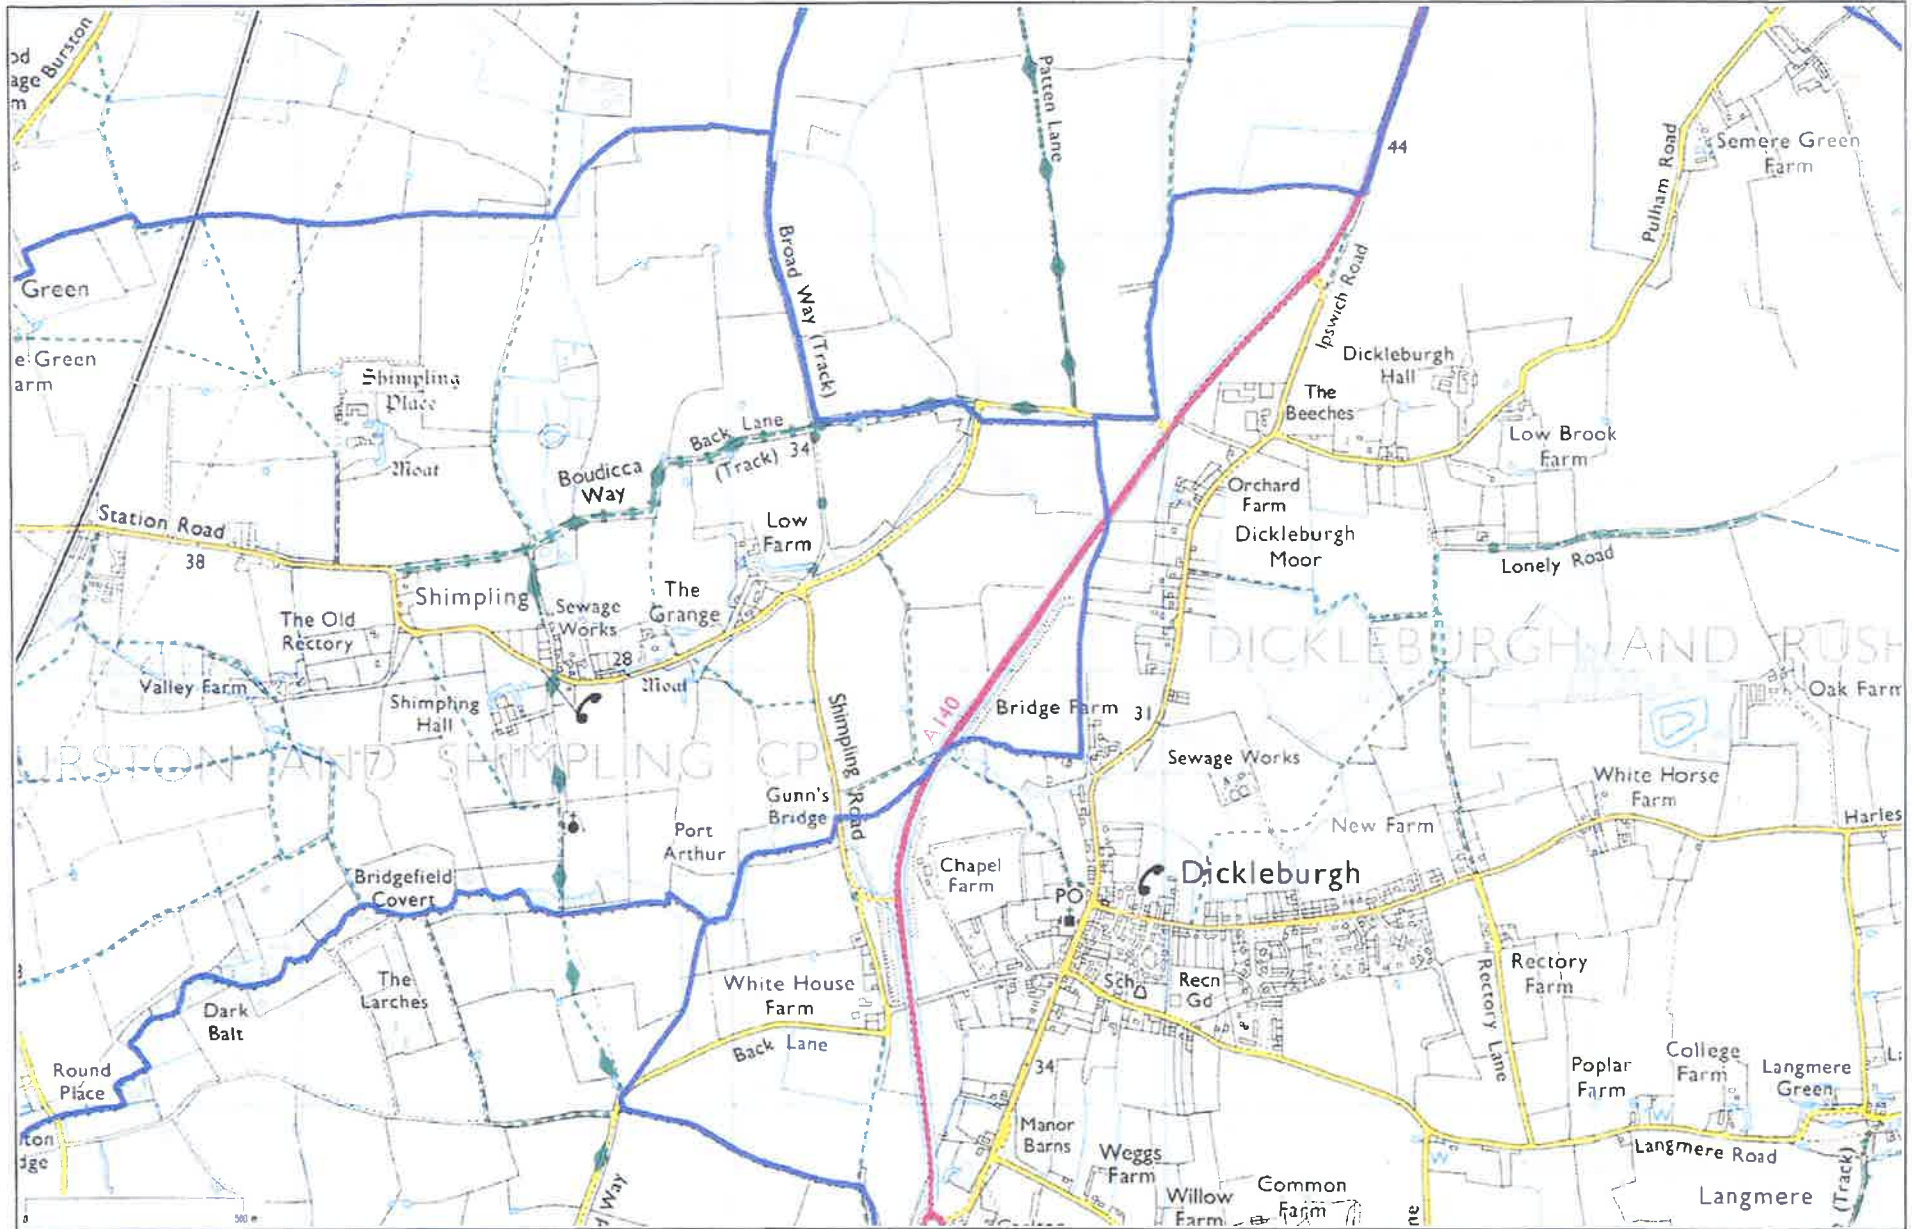

Burston & Shimpling Parish Council therefore support Dickleburgh & Rushall Parish Council's request for this adjustment to be made in response to the Community Governance second phase of the consultation.

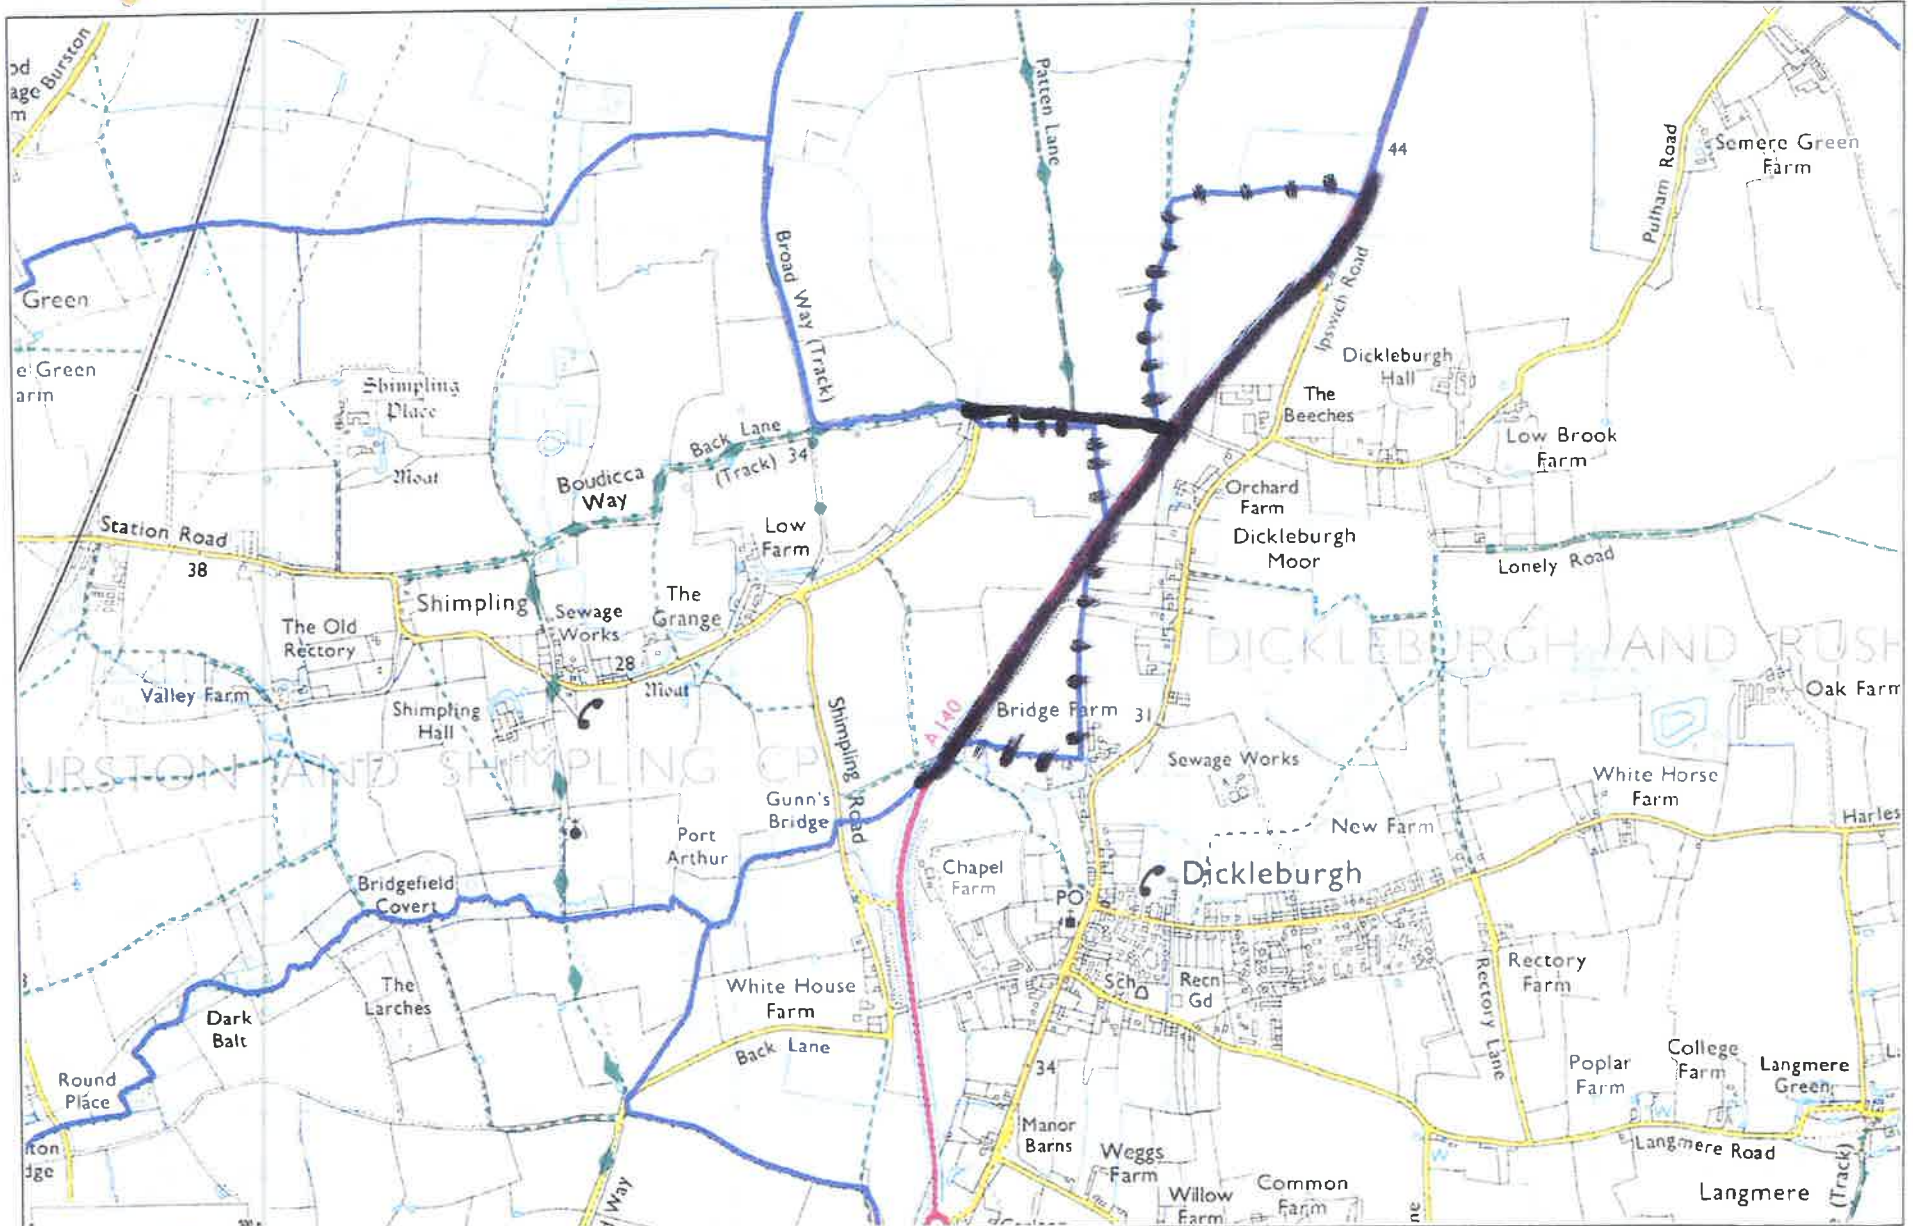

Yours Sincerely,

Ann E. C. Baker

Mrs. Ann E. C. Baker

Clerk to Burston & Shimpling Parish Council

Dear Julia,

I have tried again today to open the link on your email to the smartsurvey to no avail, so I am attaching the comments made by Burston & Shimpling PC for you to load onto the system, please.

Please do contact me if there is problem with you doing this.

Kind regards,

Ann

Ann Baker (Mrs.)
