Dear Ms Rowan

Ditchingham Parish Council has asked me to formally request the following again:

Ditchingham Parish Council, at its May meeting, voted unanimously to ask that an outcome of the review should be to reduce the number of councillors from the present 11 down to 9. This is in line with the table shown as part of the SNC presentation to Council chairs (please see attached). DPC formally request this.

Kind regards

Sally Chapman
Clerk to Ditchingham Parish Council
