In the absence of other nominations, it was RESOLVED that Cllr J Fuller be elected Leader of the Council for 2014/15.

On behalf of Cllr Fuller, who was absent from the meeting, Cllr M Wilby announced that there was to be no changes to the appointments to the Cabinet or its portfolios.

3230 VOTE OF THANKS TO THE RETIRING CHAIRMAN

Cllr M Wilby paid tribute to Cllr C Gould’s Chairmanship of the Council during 2013/14. Cllr Gould had been a worthy advocate for the Council, remaining enthusiastic and approachable at all times. It had been a memorable year, and he made particular reference to the success of the Community Awards that had been held at the John Innes Centre in February, and the Civic reception held at Langley School back in September.

Cllr M Gray endorsed Cllr Wilby’s comments, stating that he had valued Cllr Gould’s consistent and impartial chairmanship during the previous year.

3231 MINUTES

With reference to minute 3218, the Cringleford Neighbourhood Development Plan: Consideration of the Examiner’s Report, Cllr C Kemp requested that the third paragraph be amended to read; “Cllr C Kemp compared the 30% turnout in Cringleford with the 17.5% turnout at the Police Commissioner elections."

Subject to the above change, the minutes of the meetings held 24 February and 31 March 2014 were then agreed as an accurate record and signed by the Chairman.
3232  CHAIRMAN’S ANNOUNCEMENTS

The Chairman announced that his theme for the year was “Leadership”.

Members noted that the chosen charities for the year were “nelsonspirit”, a charity dedicated to help young people in Norfolk who aspire to improve themselves as leaders, whilst helping others. This was a social enterprise involving a number of Norfolk Community Organisations, supporting 17-24 year olds to engage in projects, that help those in the community. He also wished to continue the support given in the previous year to “Nelson’s Journey”, a charity dedicated to supporting bereaved children.

3233  RECOMMENDATIONS FROM THE CABINET

(a)  Review of Neighbourhood Working

Cllr M Wilby presented the recommendations from the Cabinet, which sought approval for a new approach to Neighbourhood Working, and associated ground rules to ensure its effective delivery.

Cllr Wilby urged members to support the recommendations, which provided a clear role for members, ensuring that all played a part in delivering the localism agenda. He stressed the need to continue to work with community representatives wherever possible, and not to lose sight of the important role they had played on the Neighbourhood Boards.

Although Cllr M Gray indicated his support for the new proposed Neighbourhood Working, he regretted the demise of meetings held between the Council and the community, instigated by the failure of the Neighbourhood Boards. He insisted community meetings could be successful; referring to the Broads Authority led Parish Forums. He outlined a number of concerns, referring to the cost of processing grant applications, the £1000 member budget (which he considered to be quite low compared to other councils operating a similar scheme) and he made reference to the importance of probity and consistency. He sought clarification regarding the pooling of budgets, drawing members’ attention to paragraph 5.3 of the Ground Rules which stated that the Community Action Fund and Member Ward Budgets could not be pooled, and he expressed his dislike for the term “ward walks”, suggesting that this implied that members did not know their own wards. He added that a “ward walk” in his ward was impossible due to the rural nature of the area.

In response, Cllr Wilby explained that the £1000 Member Ward Budgets, was felt to be an appropriate level, but could increase in future should the scheme prove to be a real success. He was disappointed that the term “ward work” had caused offence; it was simply a term used to ensure that members were fully aware of the expectations of the scheme. He went on to confirm that Member Ward Budgets, and the Community Action Funds, could be pooled.

Cllr J Herbert raised a query regarding the amount of funding for Neighbourhood Working, noting that the Member Ward Budgets and Community Action Fund Budgets totalled £171,000 for 2014/15. He recalled the budget for Neighbourhood
Funding for 20013/14 had totalled nearly £500,000, and he wondered where this shortfall had been reinvested. Cllr Wilby explained that these funds would be used to support the Market Towns Initiative, which impacted not only on the towns, but also the surrounding villages.

It was unanimously

RESOLVED:

1. To implement the new way of neighbourhood working;
2. To adopt the revised Ground Rules

(b) Supplementary Planning Document (SPD) providing Guidance for the Delivery of a “Food and Agriculture Hub for Broadland and South Norfolk

Cllr M Wilby presented the recommendations from the Cabinet, which proposed the adoption of a Supplementary Planning Document (SPD) providing Guidance for the Delivery of a “Food and Agriculture Hub for Broadland and South Norfolk.

It was

RESOLVED:

that the ‘Supplementary Planning Document (SPD) providing Guidance for the Delivery of a Food and Agriculture Hub for Broadland and South Norfolk’ (attached as Appendix B of the Cabinet report) be adopted by the Council.

(c) Governance Arrangements for the Greater Norwich Growth Board

Cllr M Wilby presented the recommendations from Cabinet, regarding the dissolution of the Greater Norwich Development Partnership Board, and the governance arrangements for the Greater Norwich Growth Board.

In response to a query from Cllr M Gray, the Director of Growth and Localism agreed to report back on the number of local authorities that had already adopted a Community Infrastructure Levy (CIL).

It was unanimously

RESOLVED:

1. To agree to the dissolution of the Greater Norwich Development Partnership Board and removal of the three places from the list of the Council’s appointments to outside bodies;
2. To agree, subject to the provisions of paragraph 3.6 of the report, the governance arrangements as contained in the Joint Working Agreement for the Greater Norwich Growth Board (appendix 1 of the report), the Infrastructure Investment Fund (appendix 2), and the Local Infrastructure Fund (appendix 3).
3. To agree to the appointment of the Leader of the Council to be South Norfolk Council's representative on the Greater Norwich Growth Board.

3234 MONITORING OFFICER REPORT

Cllr C Kemp introduced the report, outlining the salient points to members.

Members noted that the Local Government Boundary Commission had postponed the review of wards in the South Norfolk District until 2017.

RESOLVED:

To

1. Approve the actions outlined in paragraph 1.2 of the report;

2. Approve the alteration to the deadline for the notice of motions and that the Constitution be amended accordingly;

3. Approve the appointment of the Electoral Services Manager as the Council's Deputy Electoral Registration Officer;

4. Authorise appropriate amendments to the Constitution in light of the new arrangements to neighbourhood working, some of which are described in paragraph 3.1;

5. Approve the alteration of the Constitution to reflect the director of Growth and Localism's amended delegated powers in relation to the payment of CIL monies.

3235 APPOINTING COMMITTEES AND CHAIRMEN

Cllr M Wilby introduced the report, drawing members’ attention to the paper tabled at the meeting, detailing each committee and the number of seats apportioned to each political group.

Cllr M Gray announced that he was standing down as Leader of the Liberal Democrat Group. He thanked officers and his Group for their support during his leadership over the last 7 years. Referring to a motion that he had put before Council some years previous regarding the need for a regular change in leadership, Cllr Gray informed members that he felt his departure as the Group’s Leader to be timely. Cllr Lewis had been appointed as Leader and Cllr McClennning as Deputy Leader of the Group, and Cllr Gray wished them both every success in their new roles.

Cllr M Wilby thanked Cllr Gray, on behalf of the Conservative Group, for his constructive contributions as Leader of the Main Opposition Group. He acknowledged that Cllr Gray always led from the front and he had always demonstrated a strong passion for his work. He congratulated Cllr Lewis on his appointment.
Members had already noted that there was to be no change in the membership of the Cabinet or their portfolios and Cllr T Lewis announced his shadow Cabinet as detailed below:

Referring to the tabled paper, Cllr Lewis then delivered a presentation to members outlining the reasons why his Group believed that the proposed apportionment to committees was not Widdicombe compliant. He stressed that his Group concurred with the view that the Liberal Democrat Group should lose a seat, following the deletion of Neighbourhood Boards and the resignation of one member from the Conservative Group. However, the Group took issue with the Monitoring Officer’s recommendations as to where this seat should be lost. He reminded members that the Conservatives were still left with Neighbourhood Chairman, which despite having much influence, were no longer included in the political balance calculation. He did not believe that either the Emergency Committee (he could not recall when it last met), or the Sites Sub Committee (which very rarely took decisions) should form part of the calculations, and he was surprised that the Scrutiny Committee had not been classified as a main committee. He had no problem with the Independent Group taking a seat on the Development Management Committee, but he believed this seat should be conceded by the Conservative Group. The Liberal Democrats would then give up a seat on the Scrutiny Committee, to be filled by a Conservative, leaving both Committees with a 8:2:1 split. This he believed would leave the committees politically balanced in accordance with the Widdicombe rules.

He then proposed an amendment to the report as follows: “That the apportionment of the political groups on the Development Management Committee and the Scrutiny Committee be changed to a 8:2:1 split.

Cllr M Gray seconded the amendment, explaining that the Liberal Democrat Group felt it fairer for it to concede a seat on the Scrutiny Committee (currently 7:3:1), rather than the Development Management Committee (currently 9:2).

Cllr C Kemp explained that he had not been persuaded by the arguments of Cllr Lewis; he believed the political balance regulations had been correctly interpreted by the Monitoring Officer.
Cllr J Herbert could not see the logic in revisiting the calculation of the political balance of the Council in light of the fact that the Liberal Democrat Group had accepted that it needed to lose one seat. The argument would still remain with where this seat should be lost. He reminded Council that the results of the calculations were based on fine margins, and they had to trust that the Monitoring Officer’s judgement in applying the regulations correctly.

Cllr T East stated that he was disappointed with the arguments put before him; he could not support the Monitoring Officer’s calculations.

The Monitoring Officer then addressed the Council and confirmed that he was satisfied that the political balance rules had been correctly interpreted and that the allocations of the seats on each committee were Widdicombe compliant.

With 6 votes for and 30 against, the amendment was then lost.

It was agreed that Group Leaders would communicate details of all appointments to committees to Democratic Services, the final list to be appended to these minutes.

With 29 votes for and 6 against, it was then

**RESOLVED:** To agree:

1. That Committees, sub-committees and non-executive bodies are appointed in accordance with Appendix 1 of the report, the appointments to committees to be delegated to Group Leaders (and appended to these minutes)

2. That Chairmen and Vice-Chairmen of Committees to be appointed in accordance with Appendix 2 of the report, the individual appointments to be delegated to the Leader of the Council (and appended to these minutes)

**3236 APPOINTMENTS TO OUTSIDE BODIES**

It was agreed that Group Leaders would communicate the appointments to outside bodies to Democratic Services, the final list to be appended to these minutes.
