Seeking further detail of proposed additional bus services and of what safety measures would be acceptable at Golf Links Road/Chapel Road. **Officer response** Details for nature and frequency of additional bus services would be agreed as part of full combined travel plan – required by condition. <td>2019/2053</td>
<td>Contrary to paragraph 5.3 stating that the buildings in question need to be demolished as a requirement of the S106 attached to planning permission 2010/1063, the S106 only requires that they are not used for poultry or other livestock activities. In light of this it is considered necessary in accordance with Policies DM2.2 and DM2.10 of the SNLP to market the property for potential employment uses/opportunities. In this case it would appear from the submission that only one of the 3 units has been marketed (the one at the rearmost part of the site) and only on a lease basis (not for sale) which means that the marketing is considered to be unsatisfactory. For this reason the following additional reason for refusal is suggested: Insufficient marketing has been undertaken to demonstrate that the units cannot be practically or viably converted into other commercial employment uses. The application does not comply with Policies DM2.2((2)(a)) and DM2.10(e) of the South Norfolk Local Plan Development Management Policies Document 2015.</td>
