Notice of Key Decisions – General Exception

Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012 requires 28 clear days notice to be published of the Council’s intention to make key decisions.

Regulation 11 allows, that if it is impracticable for the Council to give the required 28 days’ notice, and there is less than 5 clear days before the Committee the decision may still be made if the Chairman of the Scrutiny Committee has given their consent to the decision being made.

Notice is hereby given under Regulation 11(1) of the Council’s intention to make a key decision at its Cabinet meeting on 19 March 2018, regarding the future redevelopment of Ketts’ Park in Wymondham, and the implementation of vehicle charging points in the Council’s market towns.

The reason publication in accordance with Regulation 9 and 10 was impracticable was due to the timing of the grants secured.
