The Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012

Notice of Key Decisions – General Exception

Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012 requires 28 clear days notice to be published of the Council’s intention to make key decisions.

Regulation 10 allows, that if it is impracticable for the Council to give the required 28 days’ notice, and there is still 5 clear days before the Committee, the decision may still be made if the Chairman of the Scrutiny Committee has been informed.

Notice is hereby given under Regulation 10(1) of the Council’s intention to make a key decision at its Cabinet meeting on 10 December 2018, regarding the Proposed Sale of a Commercial Property.

The reason publication in accordance with Regulation 9 was impracticable, was because the business involved has only recently confirmed its decision to purchase the unit.
