The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice of Key Decisions – General Exception

Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012 requires 28 clear days notice to be published of the Council’s intention to make key decisions.

Regulation 10 allows, that if it is impracticable for the Council to give the required 28 days’ notice, and there is still 5 clear days before the Committee, the decision may still be made if the Chairman of the Scrutiny Committee has been informed.

Notice is hereby given to the Chairman of the Scrutiny Committee, that under Regulation 10(1), the Council intends to make the following key decisions at its Cabinet meeting on Tuesday 23 April 2019:

Investment Proposition for the NRP Enterprise Zone

Members to consider a proposal for funding infrastructure and an investment building within the Norwich Research Park (report of the Strategic Economic Growth and Funding Manager)

The reason publication in accordance with Regulation 9 was impractical, was due to the critical timescales around progressing the building works and that a further meeting of the Cabinet could not be convened before the deadline required by all parties to sign contracts, due to the elections taking place on 2 May 2019.
