The Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012

Notice of Key Decisions – General Exception

Regulation 9 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information (England) Regulations 2012 requires 28 clear days notice to be published of the Council’s intention to make key decisions.

Regulation 10 allows, that if it is impracticable for the Council to give the required 28 days’ notice, the decision may still be made if the Chairman of the Scrutiny Committee has given their consent to the decision being made.

Notice is hereby given under Regulation 10(1) of the Council’s intention to make a key decision at its Cabinet meeting on 5 November 2018, regarding Funding for Accelerated Construction.

The reason publication in accordance with Regulation 9 was impracticable was because the Council has only recently been informed of potential funding available to support the project.
