### DECLARATIONS OF INTEREST AT MEETINGS

When declaring an interest at a meeting Members are asked to indicate whether their interest in the matter is pecuniary, or if the matter relates to, or affects a pecuniary interest they have, or if it is another type of interest. Members are required to identify the nature of the interest and the agenda item to which it relates. In the case of other interests, the member may speak and vote. If it is a pecuniary interest, the member must withdraw from the meeting when it is discussed. If it affects or relates to a pecuniary interest the member has, they have the right to make representations to the meeting as a member of the public but must then withdraw from the meeting. Members are also requested when appropriate to make any declarations under the Code of Practice on Planning and Judicial matters.

(c) Any person who has made relevant representations, and  
(d) The chief office of police for the police area in which the premises are situated
1. INTRODUCTION

1.1 An application has been received to vary an existing premises licence for Costessey Town Council, Longwater Lane, Costessey NR8 5AH. Relevant representations have been made regarding this application.

1.2 Given the above, the application must be determined by a hearing of the Licensing and Gambling Acts Sub-Committee.

1.3 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the Sub-Committee must give appropriate weight to:

   (a) The steps that are appropriate to promote the licensing objectives;
   (b) The representations presented by all parties;
   (c) The revised guidance issues under section 182 of the Licensing Act 2003;
   (d) South Norfolk Council’s Statement of Licensing Policy published in January 2018

2 BACKGROUND

2.1 South Norfolk Council is the authority responsible for issuing licenses within the district under the Licensing Act 2003, which came into effect on the 24th of November 2005.

2.2 Since the Licensing Act 2003 came into effect, further legislative amendments have been made through the Live Music Act 2012 and the Deregulation Act 2015.

   As part of the application process, the applicant is responsible for advertising the application by way of a notice in a specified form at the premises for not less than 28 consecutive days and in a local publication on at least one occasion within 10 workings days after the application has been submitted.

   In accordance with the Licensing Act (Hearings) Regulations a notice of the application was also published on the Council's website for the duration of the consultation period.

3 PROPOSALS

3.1 An application was submitted on the 17 January 2020 by Mr Nigel Bailey for Costessey Town Council, Costessey. The application form is attached as Appendix 1, the proposed plan of the premises as Appendix 2 and an area map as Appendix 3.

3.2 The application seeks to vary the existing premises licence PLA0346. A copy of the original premises licence is attached as Appendix 4 for information purposes.

3.3 A list of current and proposed activities and timings is attached as Appendix 5.
3.4 A representation was received from Norfolk Constabulary Licensing Team. In the representation received the Police have highlighted that it is not expected to undermine the prevention of crime and disorder licensing objective however, they request to be notified of any outside events and that an event management plan is in place to ensure the safety of those attending. The Police would like to add the following conditions to the licence

(a) Norfolk Police will receive written notification at least 28 days prior to any outside event expected to attract 500 patrons.
(b) For any event expecting more than 500 patrons, an event management plan will be in place and available to Norfolk Police or the Licensing Authority at least 28 days prior.

A copy of the representation is attached as Appendix 6

3.5 A representation has been received from the Community Protection Team regarding the prevention of public nuisance.

A copy of the representation is attached as Appendix 7.

3.6 Six letters of objection have been received from local residents with regard to the licensing objectives of the prevention of crime and disorder, the prevention of public nuisance and public safety. Copies of the representations are attached as Appendix 8.

4 CURRENT POSITION/FINDINGS

4.1 A copy of the relevant section of the Statement of Licensing Policy is attached as Appendix 9

4.2 The Licensing Act 2003 has been amended by the Live Music Act 2012 and Deregulation Act 2015 so that a licence is not required to stage a performance of live music, or the playing to recorded music if;

Live music: no licence is required for:

(a) A performance of unamplified live music between 08:00 and 23:00 on any day, on any premises.
(b) A performance of amplified live music between 08:00 and 23:00 on any day on any premises authorised to sell alcohol for consumption on those premises, provided the audience does not exceed 500.
(c) A performance of amplified live music between 08:00 and 23:00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.

Recorded music: no licence is required for:

(a) Any playing of recorded music between 08:00 and 23:00 on any day on premises authorised to sell alcohol for consumption on those premises, provided the audience does not exceed 500.
5 PROPOSED ACTION

5.1 This application is to vary an existing premises licence and therefore it must be determined by a hearing of the Licensing Sub Committee, as under the Act, determination may not be delegated to officer level. This determination should only be made in relation to received representations relevant to the content of this application, the four licensing objectives, the Revised Guidance issues under Section 182 of the Licensing Act 2003 and South Norfolk Council’s Statement of Licensing Policy published in January 2016.

6 OTHER OPTIONS

6.1 The authority must, having regard to the application and any relevant representations, take such steps mentioned below (if any) as it considers appropriate for the promotion of the licensing objectives.

The steps are –

(a) To modify the conditions of the licence

(b) to reject the whole or part of the application;
   and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

6.2 Conditions on a premises licence are important in setting the parameters within which premises can lawfully operate. The use of wording such as “must”, “shall” and “will” is encouraged.

Licence conditions;

(a) must be appropriate for the promotion of the licensing objectives;
(b) must be precise and enforceable;
(c) must be unambiguous and clear in what they intend to achieve;
(d) should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
(e) must be tailored to the individual type, location and characteristics of the premises and events concerned;
(f) should not be standardised and may be unlawful when it cannot be demonstrated that they are not appropriate for the promotion of the licensing objectives in an individual case;
(g) should not replicate offences set out in the 2003 Act or other legislation;
(h) should be proportionate, justifiable and capable of being met;
(i) cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
(j) should be written in a prescriptive format.

6.3 There is a right of appeal to the Magistrates Court within 21 days.

7 ISSUES AND RISKS
7.1 Resource Implications – None

7.2 Legal Implications – Yes, legal advice taken

7.3 Environmental Impact – see licensing objectives

7.4 Equalities Impact – The sub-committee, in its decision making, must have due regard to its public sector equality duty under Section 149 of the Equality Act 2010.

7.5 Crime and Disorder – see licensing objectives

7.6 Risks – the council could incur costs in officer and legal representative time if a person is aggrieved by the decision of the Committee and pursues an appeal in the Magistrates Court.

8 RECOMMENDATIONS

9.1 The Sub-Committee is expected to make its determination based on an assessment of the evidence on both the risks and benefits for or against making the determination, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.2 The Sub-Committee must make its determination within the period of five working days beginning with the day or the last day on which the hearing was held.

9.3 Where a licensing authority determines an application, it must notify the determination and its reason of making it to –

(a) The holder of the licence
(b) The applicant
(c) Any person who has made relevant representations, and
(d) The chief of police for the police area in which the premises are situated

Licensing Officer
South Norfolk District Council
Swan Lane
Long Stratton
Norwich

Date: 20th February 2020

Dear Sir/Madam

Norfolk Police have received a copy of the application to vary the premises licence for The Costessey Centre & Grounds, Longwater Lane Norwich.

This application is requesting an extension of hours for alcohol and regulated entertainment including an extension on New Year’s Day. In addition, there is a request to incorporate activities onto the recreational field, car park and outside surrounding area.

In relation to the applying of the outside area, I believe that the reason is to enable annual outside events such as the May Fete and the football tournaments to operate under the current licence instead of Temporary Event Notices. I have been informed that there is no intention to offer the area out for hire to the wider general public.

However, it is acknowledged that this variation would permit the applicant to operate outside events on a more frequent and larger scale and therefore perhaps a restriction on the number of events outside could be considered if there are concerns of noise from residents.

It is not expected that the granting of this variation would undermine the prevention of crime and disorder licensing objective however I do request that Norfolk Police are notified of any outside events and that an event management plan is in place to ensure the safety of those attending.

Therefore, I request that the following condition is added to the Premises Licence:

- Norfolk Police will receive written notification at least 28 days prior of any outside event expected to attract 500 patrons.

- For any event expecting more than 500 patrons, an event management plan will be in place and available to Norfolk Police or Licensing Authority on request at least 28 days prior.

With these conditions added, there are no Police objections

Yours faithfully,

Michelle Bartram
Licensing Officer
Hi Martina,

Thank-you for consulting Environmental Protection in respect of the Premises Licence Full Variation application for Costessey Centre, Longwater Lane, Costessey, Norfolk, NR8 5AH.

I note that the proposed variation would

- Extend area covered by the licence to include the Recreation Ground / Field which extends to the rear of over ten residential dwellings in West End.
- Extend area covered for Films to the Recreation Ground / Field.
- Extend area covered for live music to the Recreation Ground / Field and extend the hours on New Year’s Eve - from 09:30 - 01:00 on New Year’s Day to 09:30 - 02:00 on New Year’s Day.
- Extend area covered for recorded music to the Recreation Ground / Field. In addition bring forward the start time from 9:30am to 8:30am along with extending the hours on New Year’s Eve - from 09:30 - 01:00 on New Year’s Day to 09:30 - 02:00 on New Year’s Day.
- Extend area covered for the Performances of Dance to the Recreation Ground / Field and extend the hours on New Year’s Eve - from 09:30 - 01:00 on New Year’s Day to 09:30 - 02:00 on New Year’s Day.
- Inclusion of Late Night Refreshment indoors and on the Recreation Ground / Field between 09:30am and Midnight Mon - Sat and between 09:30am and 23:30 Sundays with an extension to 09:30 New Year’s Day to 02:00 New Year’s Day.
- Extend area covered for the supply of alcohol to the Recreation Ground / Field. In addition bring forward the start time from 11:00am to 10:00am.
- Extend the opening hours New Year’s Eve until 2:00am New Year’s Day.
- The steps to be taken for the prevention of public nuisance are given as:
  - External CCTV around perimeter of building and internal in Lobbies.
  - Intruder Alarm
  - Always Caretakers or Town Councillors/Staff on site during hire of premises
  - Portable Sound Limiter
  - Caretaker or Town Councillors/Staff on site during hire of premises.
  - Guest list for large events
- It is unclear how this variation would integrate with the conditions to the existing licence for the prevention of public nuisance (including one which would appear to conflict with the proposed use of the Recreation Ground / Field) e.g.:
  - Noise and vibration must not be audible outside the premises.
  - The Licensee shall ensure that waste and refuse are removed in a timely manner to a licensed waste disposal facility.
  - Clear and legible notices must be displayed at exits and other circulatory areas requesting patrons to leave the premises having regard to the needs of local residents, in particular emphasising the need to refrain from shouting and slamming car doors. The sound of car horns must also be discouraged.
  - The premises licence holder, designated premises supervisor, must ensure that all members of staff monitor the activity of persons leaving the premises and remind them of their public responsibility where necessary.

Having reviewed our records I note that in May 2019 a complaint was received regarding music noise when the Recreation Ground in question was used for a fate.
Having regard to the above we have concerns regarding the use of the Recreation Ground / Field at night for noisy activities and steps that are specified to be taken for the prevention of public nuisance and thus cannot support this application. Possible measure to address these concerns could include:

- Reduce the hours of use of the Recreation Ground / Field and possibly reduce the hours of use of the part of the Recreation Ground / Field near residential dwellings in West End further for activities that have the potential to disturb residents.
- Measures to monitor and control noise from guests on site and when departing (including their vehicles, taxis etc.).
- Measures to monitor and control noise from fireworks.
- Measures to monitor and control music noise and cinema noise.
- Measures to receive and manage complaints along with measures to inform residents of potentially noisy events and how to inform the venue of issues.
- Measures to monitor and control noise from:
  - Deliveries and collections
  - Use of bins
  - Staff, bands, organisers, etc. tidying-up and departing after events.
- Measures to monitor and control litter.

Regards,

Adrian.

Dear Sir Madam,

Re: Costessey Centre & Recreation Grounds Application for Premises Licence

I am writing to notify South Norfolk County council that we OBJECT to the above application. I have listed the reasons why below.

1. Noise levels associated with licenced outdoor events as outlined in the application will cause distress to myself and my family. Each year when the outdoor events take place at the Costessey centre we are forced to relocate to my mother’s house with our young children due to the late-night noise pollution associated with the events taking place at the Costessey centre. My concern is that there will be more of these types of events taking place and the association of alcohol sales at this will make the issue worse.

2. The Norfolk showground is available in close proximity of the Comtesse Centre to hold outdoor licenced music events. Why do we need another venue of this type? Especially in a residential area.

3. I would question the parking arrangements for this type of application. When outdoor events are held at present at the Comtesse Centre the parking and volume of traffic along Longwater Lane causes dangerous driving and parking to take place. If licensed events are going to be held and more regularly, what additional parking arrangements will be put in place to accommodate these?

4. There is already a great deal of unsociable behaviour with youths and young adults in the proximity of the Comtesse centre including down the connecting alley ways. I fear that licensed events being held here will only encourage this antisocial behaviour.

I hope that my concerns can be conveyed to the appropriate people. I am fully supportive of the Costessy centre as a community centre. I feel it is a valuable asset to the community. I do not
however feel that by it having a licence to hold the events mentioned in the application it will add any more value to our community, only devalue it. I also feel that as a resident of the local area my concerns around noise, antisocial behaviour, parking arrangements and volume of traffic should be taken into consideration. This is a residential area. The Comtesse centre is surrounded by residential properties. The holding of outdoor music or ‘wrestling events’ going on late into the night just seems ridiculous!

I strongly object!

Yours sincerely

Dear Licensing Team Members,

I am writing to object to certain aspects of your proposed changes to the licensing of activities held at the Costessey Centre at the Longwater Lane Recreation Ground.

The Centre was built as a facility for the local community and so far it has fulfilled this role well, serving a wide variety of age and interest groups. I have even hired it several times for the Norwich Costume and Textile Association events and people always comment on what a pleasant venue it is.

I have nothing against the widening of the range of activities on offer at the Centre but I DO NOT think that late night events, refreshments and the supply of alcohol should be on offer. These will inevitably result in an increase in noise levels at night, and could also lead to fights and other forms of anti-social behaviour which care taking staff could not contain. I have lived in Costessey for around 20 years and have only seen one Police Officer and two Community Police Officers during the whole of that time. Consequently I doubt if they could rely on a speedy response from the local police in the event of serious trouble, considering the drastic cut in police force numbers in these days of austerity.

Given such potential problems the Council would do well consider whether the changes to the licensing activities at the Centre would prove to be the ‘cash cow’ they are hoping for, or a drain on resources. It would only need one serious fight situation to result in damage to the fabric of the centre and or the grounds, not to mention claims for damage from those people whose property
is immediately adjacent to the recreation ground, to wipe out a large chunk of any financial gains they may make.

Yours faithfully,

Dear Sir/Madam,

It has been drawn to our attention that an application for a Premises Licence for the Costessey Centre has been proposed by the town council.

At present we understand that if it should be required a bar can be provided by the Whitwell & Reepham Preservation Trust. Surely this arrangement is sufficient for the occasional event?

Any event held within the building is fine as the car park is adequate for the number of people likely to attend. Outdoor events are an entirely different matter as the surrounding streets, especially West End, are impacted by the extra vehicles used by the attendees.

The May Bank Holiday event is great, but what started as a one day event has already become three. One evening's disturbance each year is fine, but if the outdoor cinema were a success, how do we know the council would not be inclined to stage more. Old Costessey is in a valley and any noise of this sort reverberates around.

The Costessey Centre is in a residential area, would security be in place to ensure everyone leaves on time?, the recreation ground is already a hang out for younsters drinking alcohol and drug taking.

The Norfolk Show Ground is ideally suited for music and outdoor events with it's perfect transport links, the Costessey Centre is not, keep it local.

Yours faithfully,

Mr & Mrs R B James.

Dear Sir or Madam,

I am writing with regard to the proposed activities at the Costessey Centre and Recreational Grounds during the Fete being held from 23-25th May this year. I have seen the notices regarding the application that Costessey Town Council has made for a premises licence for these activities, and am writing to express my objections.

My family and I live very close to the Costessey Centre and Recreational Grounds. It is generally a very peaceful residential area. Whilst we enjoy and participate in the day time activities that take place during events such as the Fete, we have found the evening events such as fireworks can be very noisy and disruptive, particularly as we have young children in our family. We are concerned that if a license is granted for outdoor live/recorded music and cinema late at night this will be very disturbing for us. We also have concerns that if these licenses were issued together with one for a late night supply of alcohol we would potentially be disturbed further by the noise of people under the influence of alcohol (who are less likely to respect the need for residents to sleep) making their way home once events were over.

As I said earlier, as local residents we do enjoy events such as the Fete and would not wish to stop this going ahead. However, we feel that if the license is granted for all of the late-night activities that the Town Council are planning we and other residents living locally are going to have 3 nights of very disturbed sleep, and I am particularly concerned about how this will impact on our two young children.

Thank you in anticipation for considering my letter.

Yours faithfully,

Dear Sir/Madam

My attention has been drawn to the license application being made by the Costessey Centre for numerous events.

Firstly my position is that we have the longest boundary onto the Costessey Centre sports field and are therefore the most exposed to any events held there and the boundary which is the property of the Costessey Centre is only wire mesh so any events are very evident and any noise etc has a big impact.
The Costessey Centre is in itself a very good venue for the people of the area to use and enjoy and the sports field likewise, but what we see here for what I can only believe to be monetary reasons is an attempt to turn the Centre into an entertainments venue, this should not be promoted in the way proposed for numerous reasons.

The current fair has gone from a one day event to three days from this year with the addition of an outdoor cinema, nobody objects to the fair or the August bank holiday fair, but any further expansion re the sports field should not be allowed, there is totally inadequate parking with the overflow parking in West End and elsewhere on roads that are not capable of receiving large numbers of vehicles, this whole area is a rat run anyway.
The field is not that big so any noise is very apparent to the adjacent homes and the same with fairground lights etc, the application for late outdoor drinking should not be given, no problem for the fair in daylight hours, but night time no we already have a problem with teenagers drinking and leaving empty bottles in the footpath from West End and the discarded drug paraphernalia, the last thing that is needed is multiple late drinking events outside.

The indoor application is not a problem as nobody is inconvenienced, yet they propose live music/acts and cinema, all of which is catered for at the very close Norfolk Show Ground during the summer, there is absolutely no need to inflict the noise we can hear from the show ground on anyone in Costessey from the Centre, there are probably grounds to object on noise pollution alone.

Why this creeping attempt at commercialisation for the Costessey Centre, it is not that these events proposed are for the local community most people who come to the fair are from outside, so I can only assume the Centre is losing money and this is an attempt to recoup.
Needless to say hardly anyone if at all on the town council actually lives near the Centre so they will not be affected.

As this was a licensing application no notice was received it was only because a neighbour saw the notice on the footpath gate it was brought to my attention and I expect others are equally blind to this application which if granted in full will have a deleterious affect to all those who abut the Centre and those nearby.

The expansion of the annual fair to three days can with this application be seen as the thin end of the wedge, I hope the bulk of it is rejected for the reasons given.

Yours Faithfully

John Wigglesworth
Dear Sir/Madam

The Costessey Centre and Recreational Grounds, Longwater Lane NR8 5AH
Proposal for variation to Premises Licence

I have just received notification from Costessey Town Council of their application for a variation to their Premises Licence to enable the showing of an Outdoor Film on Saturday, 23 May from 9pm to 11pm, with gates opening at 7pm.

I am writing to register my objection to this request as the proposal is unreasonable in a residential area. High noise levels and disturbance, which is likely to extend well into the night, will affect residents whose properties border the recreational grounds. An outdoor film showing is more suited to larger venues such as the Norwich Showground, not within a residential area where it will have a large impact on residents living adjacent and in the surrounding areas.

The Recreation Ground is not large and high noise volumes from a film showing, 500 extra people from 7pm to 11pm and beyond, as no doubt the site will need to be cleared in preparation for the fete the next day, will greatly disturb residents living on West End and Longwater Lane. I therefore trust you will refuse this application on grounds of public disturbance.

Yours faithfully

Appendix 9 – Relevant section from the Statement of Licensing Policy

21 - Planning and Building Control

Planning permission, building control approval and licensing are separated in order to avoid duplication and inefficiency.

Licensing applications will not enable a “re-run” of a planning application and licensing decisions will not override decisions taken by the Planning Committee or permissions granted on appeal.

There is no legal basis for a licensing authority to refuse a licence application because it does not have planning permission. Licensing Committees are not bound by decisions made by a Planning Committee and, vice versa.
