### DECLARATIONS OF INTEREST AT MEETINGS

When declaring an interest at a meeting Members are asked to indicate whether their interest in the matter is pecuniary, or if the matter relates to, or affects a pecuniary interest they have, or if it is another type of interest. Members are required to identify the nature of the interest and the agenda item to which it relates. In the case of other interests, the member may speak and vote. If it is a pecuniary interest, the member must withdraw from the meeting when it is discussed. If it affects or relates to a pecuniary interest the member has, they have the right to make representations to the meeting as a member of the public but must then withdraw from the meeting. Members are also requested when appropriate to make any declarations under the Code of Practice on Planning and Judicial matters.

Licensing Act 2003: Temporary event notice
The Beauchamp Arms Ferry Rd, Carleton St Peter, Norfolk, NR14 6DH

Report Author(s): Martina Wilson
                   Licensing & Enforcement Officer
                   01508533956
                   mwilson@s-norfolk.gov.uk

Portfolio: Regulation & Public Safety

Ward(s) Affected: Rockland

Purpose of the Report:
Members are asked, in accordance with the delegation of licensing functions contained in the South Norfolk Council statement of licensing policy (Licensing Act 2003), to consider an objection notice given by the Community Protection Team at South Norfolk Council. This is attached as Appendix 1.

Recommendations:
That Members determine whether to issue a counter notice in respect of the temporary event notice submitted in respect of The Beauchamp Arms, Ferry Rd, Carleton St Peter, Norfolk, NR14 6DH for an event from 3 to 4 April 2020 in accordance with the:

- Licensing Act 2003;
- Guidance issued under Section 182 of the Licensing Act 2003; and
- South Norfolk Council Statement of Licensing Policy.

1 SUMMARY

1.1 An application has been received for a standard Temporary Event Notice (TEN) from Shaun Hughes for an event at the Beauchamp Arms on 3 to 4 April 2020. This is attached as Appendix 2
1.2 The TEN gives notification that it is proposed to use the premises for the licensable activities of the sale by retail of alcohol, the provision of regulated entertainment and the provision of late-night refreshment starting at 19:00 to 03:00 from 3 April to 4 April 2020.

2 BACKGROUND

2.1 Part 5 of the Licensing Act 2003 (The Act) provides for the temporary carrying on of licensed activities at premises which are not authorised by a premises licence or club premises certificate. The most important aspect of the system of permitted temporary activities is that events do not have to be authorised as such by the licensing authority. Instead the premises user notifies the event to the licensing authority and the police. A copy of the current Premises Licence is attached as Appendix 3.

2.2 The premises user is required to give a copy of any temporary event notice (TEN) unless submitted electronically when it is the responsibility of the licensing authority to notify the police and the local authority exercising environmental health functions (EHA). The Police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give an objection notice to the licensing authority and to the premises user within 3 working days of receipt of the TEN.

2.3 If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection (unless all parties agree that this is unnecessary). If members decide to allow the licensable activities to go ahead as stated in the TEN and these are in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing premises licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions and provide a copy to each relevant party. Alternatively, members may decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.

3 CURRENT POSITION/FINDINGS

3.1 There have been previous events at the Beauchamp Arms which have resulted in noise complaints from residents within the Broadland area.

3.2 Ali Pridmore, Senior Community Protection Officer has undertaken noise monitoring for previous events, and this has raised significant concerns with regards to how events are managed relating to the control of sound levels at these events.

3.3 At a previous event organised by Frankie Allardyce held on the 8 February 2020, Ali Pridmore carried out noise monitoring North and South of the river Yare. Although there were no significant issues with noise on the South side of the river Yare, monitoring on the North side of the river indicated significantly elevated noise levels. The base beat from the event in and around Buckenham was particularly intrusive and has the potential to be a statutory nuisance. The base beat was clearly audible in Mr Pridmore’s car with the windows and doors closed. A copy of an area map showing points of monitoring carried out is attached as Appendix 4.

3.4 Mr Pridmore contacted Mr Hollocks, premises licence holder of the Beauchamp Arms by text message to inform him of the issues. Mr Pridmore did not receive a response until
the following day. After texting Mr Hollocks there was no discernible change (reduction) in
the noise levels.

3.5 A hearing was held on the 4 March 2020 for a previous application submitted by Kerry
Goodrick. Members of the Committee issued a Counter Notice. Please see Appendix 6

3 PROPOSED ACTION

4.1 The application for a Temporary Event Notice where an objection has been reived by the
Community Protection Team must be determined by a hearing of the Licensing Sub
Committee, as under the Act, determination may not be delegated to officer level. This
determination should only be made in relation to received representations relevant to the
content of this application, the four licensing objectives, the Revised Guidance issues
under Section 182 of the Licensing Act 2003 and South Norfolk Council’s Statement of

5 ISSUES AND RISKS

5.1 Resource Implications – None
5.2 Legal Implications – Yes legal advice taken
5.3 Equality Implications – The sub-committee, in its decision making, must have due
regard to its public sector equality duty under Section 149 of the Equality Act 2010.
5.4 Environmental Impact – See Licensing objectives
5.5 Crime and Disorder – None
5.6 Risks – the council could incur costs in officer and legal representative time if a person is
aggrieved by the decision of the Committee and pursues an appeal in the Magistrates
Court.

6 RECOMMENDATIONS

6.1 The sub-committee must consider the objection notice received from Community
Protection to determine whether the proposed event would undermine the licensing
objectives.
6.2 If the sub-committee determine that the proposed event would undermine the licensing
objectives, then the licensing authority must give a counter notice to the premises user to
prevent the proposed temporary event from going ahead.
6.3 Should the sub-committee determine not to issue a counter-notice, and allow the event to
go ahead, then they may impose one or more existing premises licence conditions but
only if it considers it appropriate for the promotion of the licensing objectives.
6.4 Alternatively, the licensing sub-committee may decide to allow the licensable activities to
go ahead as stated in the TEN without the imposition of any conditions.
6.5 A notice giving reasons for the sub-committee’s determination will need to be served on
the premises-user, the Police and the Community Protection.
6.6 Appeals by the premises-user in respect of the determinations set out in paragraphs 6.3
and 6.4 above, or by the Police or EHA in respect of paragraph 6.5 above, must be made
to the Magistrates' Court within 21 days, commencing on the day on which either party was notified of the decision either to issue, or not issue, a counter notice. However, no appeal may be brought later than 5 working days before the first day of the relevant event period.

Dear Mr Hughes,

Notice of Objection to temporary event notice (TEN)
Our Reference: 20/00204/PLTEAS

On the 10th March 2020, South Norfolk Council as the licensing authority received from you, Mr Shaun Hughes, a temporary event notice ("the notice") in respect of proposed temporary licensable activities due to take place on the 3rd and 4th April 2020 at the Beauchamp Arms, Ferry Road, Caister-on-Sea, St Peter, Norfolk, NR14 6DH.

I am objecting to the notice as I am satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective, namely that of public nuisance (noise) for the following reasons:

- the level and type of music which is very bass-heavy played during the early hours of the morning when the background noise levels are very low,
- the nature of the premises which are considered to be sufficiently sound insulated,
- the local climate conditions which affect the transmission of sound to noise sensitive properties,
- concerns that the physical or management controls of noise during previous events held at the premises were insufficient to prevent public nuisance from events held at the above premises.

I have provided this notice in accordance with Section 105(3) of the Licensing Act 2003 as amended, providing you with the reasons for my decision.

Yours sincerely

Mr Ali Pridmore
Senior Community Protection Officer

Dear Licensing,

I am objecting to the TEN (ref 20/00204/PLTEAS) on the grounds of public nuisance.

Please see the decision of the Licensing Committee which was held on 03 March 2020 relating to my objection to the TEN submitted by Mr Kerry Daniel Goodrick (20/00106/PLTEAS) which was due to take place on the 14 & 15 March 2020 at Beauchamp Arms, Ferry Road, Carleton St Peter, Norfolk NR14 6DH.

The objection under section 104(2) of the Licensing Act 2003 from the Community Protection section of South Norfolk Council to the notice on the basis that a licensing objective, namely the prevention of public nuisance, would be undermined if the proposed temporary licensable activities took place.

Following complaints from a member of the public, I carried out investigations on two separate occasions when events were held at the Beauchamp Arms. These took place in the early hours of the morning at noise sensitive premises. I noted music noise from the application premises and that this was a nuisance. I gave the following reasons why this was likely to reoccur:

- the level and types of music which is very bass-heavy played during the early hours of the morning when the background levels are very low,
- the nature of the premises which were considered to be insufficiently sound insulated,
- the local climate conditions which affect the transmission of sound to noise sensitive properties.

The Committee was satisfied that the noise from previous events was not adequately managed or controlled and that the noise was a public nuisance and the committee was determined to serve a counter notice for the reasons given above.

Unfortunately, I have little confidence that such events will be effectively managed based on my recent out of hours visits where I monitored the sound levels from events held at the above venue. The circumstances for the TEN is not materially different from the previous TEN which resulted in the Licensing Committee issuing a Counter Notice.

Kind Regards

Mr Ali A N J Pridmore

COUNTER NOTICE TO TEMPORARY EVENT NOTICE –
SECTION 105 LICENSING ACT 2003

Counter Notice (Temporary Event Notice) – Permitted Temporary Activities

On 20 February 2020 the licensing authority received from you, Mr Kerry Daniel Goodrick, a temporary event notice (“the notice”) in respect of proposed temporary licensable activities due to take place on the 14th and 15th March 2020 at the Beauchamp Arms, Ferry Road, Carleton St Peter, Norfolk, NR14 6PP, namely to use the premises for the sale by retail of alcohol and for regulated entertainment (claimed to be the playing of recorded music) between 19:00 hours on 14th March 2020 and 03:00 hours on 15th March 2020.

The licensing authority received an objection to the notice under section 104(2) of the Licensing Act 2003 from the Community Protection section of South Norfolk Council on the basis that the licensing objective namely the prevention of public nuisance would be undermined if the proposed temporary licensable activities took place.

A hearing was held on the 4th March 2020. At this hearing it was determined necessary to issue a counter notice as this was appropriate in order to promote the licensing objective of the prevention of public nuisance.

The Licensing Act 2003 makes provision for you to appeal against this counter notice and reference should be made to Schedule 5 of the Licensing Act 2003. Any appeal notice made to a magistrates' court and commenced by notice of appeal given to the designated officer at the magistrates' court within the period of 21 days beginning with the day on which you were notified of the decision appealed against, except that no appeal may be brought later than five working days before the day on which the event period specified in the temporary event notice begins.

This counter notice is accompanied by a notice giving reasons for the decision.

Under section 136 of the Licensing Act 2003, a person commits an offence if he carries on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation; or if he knowingly allows a licensable activity to be carried on. A person convicted of such an offence is liable to imprisonment for a term not exceeding six months or to a fine not exceeding £20,000, or to both.

On behalf of the licensing authority

Counter notice – Beauchamp Arms, Ferry Road, Carleton St Peter, Norfolk.
Notice giving reasons for the counter notice – Beauchamp Arms Public House.

On 20 February 2020 the licensing authority received from you, Mr Kerry Daniel Goodrick, a temporary event notice ("the notice") in respect of proposed temporary licensable activities due to take place on the 14th and 15th March 2020 at the Beauchamp Arms, Ferry Road, Carleton St Peter, Norfolk NR14 6DH namely in respect of the premises to use the area for the sale by retail of alcohol and the provision of regulated entertainment (clarified to be the playing of recorded music) for a period starting at 17:00 hours on the 14th March 2020 and finishing at 03:00 hours on the 15th March 2020.

The licensing authority received an objection under section 104(2) of the Licensing Act 2003 from the Community Protection section of South Norfolk Council to the notice on the basis that a licensing objective, namely the prevention of public nuisance, would be undermined if the proposed temporary licensable activities took place and a hearing took place on Wednesday 4th March 2020 at which it was determined to serve a counter notice for the reasons given below.

In coming to this view the committee took account of the evidence provided a committee from Mr Raymond Hollocks, Mr William Hollocks and Mr Ali Pridmore of the Community Protection section together with the contents of the agenda papers and noted the guidance referred to in the report.

The test applied was whether it was appropriate to serve a counter notice to promote the licensing objective of the prevention of public nuisance.

Committee was satisfied that Mr A Pridmore was a reliable witness and gave weight to his evidence and the strength of his professional judgments following his investigation.

Following a complaint from a member of the public Mr Pridmore carried out investigations on two separate occasions. These took place in the early hours of the morning at noise sensitive premises. He noted music noise from the application premises and said this was a nuisance. He gave reasons regarding the level and type of music, the nature of the premises and the local climate conditions as to why this was likely to reoccur and confirmed that in his view the closure of doors at the application premises would be insufficient to prevent noise nuisance.

Committee was not satisfied that the physical or management controls of noise at the premises were sufficient to prevent public nuisance from noise likely to arise from the granting of the sought temporary event notice.

24 - Temporary Event Notice (TEN)

Certain temporary events are not required to be licensed but must be notified to the Council by using a Temporary Event Notice (TEN). However, depending on the nature and location of such events, these can have serious crime and disorder and public nuisance implications. Organisers of these events are encouraged to submit their notification as soon as reasonably practicable to enable the Police, Environmental Health and the Licensing Authority to work with them to identify and reduce the risks.

A Standard Temporary Event Notice must be received a minimum of ten clear working days prior to the event. A Late Temporary Event Notice must be submitted with a minimum of five clear working days and a maximum of nine clear working days prior to the event. There is no discretion for the Council to vary either the ten or the five working days requirement.

If a TEN is submitted in writing, separate copies of the TEN must be served by the event organiser on the Police and Environmental Health. If a TEN is submitted electronically, the event organiser is not required to serve the TEN on the Police or Environmental Health as the licensing authority will submit it on their behalf. Where possible the Council encourages TENs to be served electronically.
