DECLARATIONS OF INTEREST AT MEETINGS

When declaring an interest at a meeting Members are asked to indicate whether their interest in the matter is pecuniary, or if the matter relates to, or affects a pecuniary interest they have, or if it is another type of interest. Members are required to identify the nature of the interest and the agenda item to which it relates. In the case of other interests, the member may speak and vote. If it is a pecuniary interest, the member must withdraw from the meeting when it is discussed. If it affects or relates to a pecuniary interest the member has, they have the right to make representations to the meeting as a member of the public but must then withdraw from the meeting. Members are also requested when appropriate to make any declarations under the Code of Practice on Planning and Judicial matters.

Have you declared the interest in the register of interests as a pecuniary interest? If Yes, you will need to withdraw from the room when it is discussed.

Does the interest directly:
1. affect yours, or your spouse / partner’s financial position?
2. relate to the determining of any approval, consent, licence, permission or registration in relation to you or your spouse / partner?
3. relate to a contract you, or your spouse / partner have with the Council
4. affect land you or your spouse / partner own
5. affect a company that you or your partner own, or have a shareholding in

If the answer is “yes” to any of the above, it is likely to be pecuniary.

Please refer to the guidance given on declaring pecuniary interests in the register of interest forms. If you have a pecuniary interest, you will need to inform the meeting and then withdraw from the room when it is discussed. If it has not been previously declared, you will also need to notify the Monitoring Officer within 28 days.

Does the interest indirectly affect or relate any pecuniary interest you have already declared, or an interest you have identified at 1-5 above?

If yes, you need to inform the meeting. When it is discussed, you will have the right to make representations to the meeting as a member of the public, but you should not partake in general discussion or vote.

Is the interest not related to any of the above? If so, it is likely to be an other interest. You will need to declare the interest, but may participate in discussion and voting on the item.

Have you made any statements or undertaken any actions that would indicate that you have a closed mind on a matter under discussion? If so, you may be predetermined on the issue; you will need to inform the meeting, and when it is discussed, you will have the right to make representations to the meeting as a member of the public, but must then withdraw from the meeting.

FOR GUIDANCE REFER TO THE FLOWCHART OVERLEAF.
PLEASE REFER ANY QUERIES TO THE MONITORING OFFICER IN THE FIRST INSTANCE
DECLARING INTERESTS FLOWCHART – QUESTIONS TO ASK YOURSELF

   • land or leases they own or hold
   • contracts, licenses, approvals or consents

If you have not already done so, notify the Monitoring Officer to update your declaration of interests

Licensing Act 2003: Temporary event notice
The Beauchamp Arms Ferry Rd, Carleton St Peter, Norfolk, NR14 6DH

Report Author(s): Martina Wilson
Licensing & Enforcement Officer
01508 533956
mwilson@s-norfolk.gov.uk

Portfolio: Regulation & Public Safety

Ward(s) Affected: Rockland

Purpose of the Report:
Members are asked, in accordance with the delegation of licensing functions contained in the South Norfolk Council statement of licensing policy (Licensing Act 2003), to consider an objection notice given by the Community Protection Team at South Norfolk Council. This is attached as Appendix 2.

Recommendations:
That Members determine whether to issue a counter notice in respect of the temporary event notice submitted in respect of The Beauchamp Arms, Ferry Rd, Carleton St Peter, Norfolk, NR14 6DH for an event from 14 to 15 March 2020 in accordance with the:

- Licensing Act 2003;
- Guidance issued under Section 182 of the Licensing Act 2003; and
- South Norfolk Council Statement of Licensing Policy.

1 SUMMARY

1.1 An application has been received for a standard Temporary Event Notice (TEN) from Kerry Daniel Goodrick for an event at the Beauchamp Arms on 14 and 15 March 2020. This is attached as Appendix 1
1.2 The TEN gives notification that it is proposed to use the premises for the licensable activities of the sale by retail of alcohol, the provision of regulated entertainment starting at 19:00 to 03:00 from 14 March to 15 March 2020.

2 BACKGROUND

2.1 Part 5 of the Licensing Act 2003 (The Act) provides for the temporary carrying on of licensed activities at premises which are not authorised by a premises licence or club premises certificate. The most important aspect of the system of permitted temporary activities is that events do not have to be authorised as such by the licensing authority. Instead the premises user notifies the event to the licensing authority and the police. A copy of the current Premises Licence is attached as Appendix 5.

2.2 The premises user is required to give a copy of any temporary event notice (TEN) (unless submitted electronically when it is the responsibility of the licensing authority) to the police and the local authority exercising environmental health functions (EHA). If the Police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give an objection notice to the licensing authority and to the premises user within 3 working days of their receipt of the TEN.

2.3 If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection (unless all parties agree that this is unnecessary). If members decide to allow the licensable activities to go ahead as stated in the TEN, and these are in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing premises licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions and provide a copy to each relevant party. Alternatively, members may decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.

3 CURRENT POSITION/FINDINGS

3.1 There have been previous events at the Beauchamp Arms which have resulted in noise complaints from residents within the Broaduchamp area.

3.2 Ali Pridmore, Senior Community Protection Officer has undertaken noise monitoring for previous events, and this has raised significant concerns with regards to how events are managed relating to the control of sound levels at these events.

3.3 At the previous event organised by Frankie Allardyce held on the 8 February 2020, Ali Pridmore carried out noise monitoring North and South of the river Yare. Although there were no significant issues with noise on the South side of the river Yare, monitoring on the North side of the river indicated significantly elevated noise levels. The base beat from the event in and around Buckenham was particularly intrusive and has the potential to be a statutory nuisance. The base beat was clearly audible in Mr Pridmore’s car with the windows and doors closed. A copy of an area map showing points of monitoring carried out is attached as Appendix 3.

3.4 Mr Pridmore contacted Mr Hollocks, premises licence holder of the Beauchamp Arms by text message to inform him of the issues. Mr Pridmore did not receive a response until
the following day. After texting Mr Hollocks there was no discernible change (reduction) in the noise levels.

4 PROPOSED ACTION

4.1 The application for a Temporary Event Notice where an objection has been reieved by the Community Protection Team must be determined by a hearing of the Licensing Sub Committee, as under the Act, determination may not be delegated to officer level. This determination should only be made in relation to received representations relevant to the content of this application, the four licensing objectives, the Revised Guidance issues under Section 182 of the Licensing Act 2003 and South Norfolk Council's Statement of Licensing Policy published in January 2018.

5 ISSUES AND RISKS

5.1 Resource Implications – None

5.2 Legal Implications – Yes legal advice taken

5.3 Equality Implications – The sub-committee, in its decision making, must have due regard to its public sector equality duty under Section 149 of the Equality Act 2010.

5.4 Environmental Impact – See Licensing objectives

5.5 Crime and Disorder – None

5.6 Risks – the council could incur costs in officer and legal representative time if a person is aggrieved by the decision of the Committee and pursues an appeal in the Magistrates Court.

6 RECOMMENDATIONS

6.1 The sub-committee must consider the objection notice received from Community Protection to determine whether the proposed event would undermine the licensing objectives.

6.2 If the sub-committee determine that the proposed event would undermine the licensing objectives, then the licensing authority must give a counter notice to the premises user to prevent the proposed temporary event from going ahead.

6.3 Should the sub-committee determine not to issue a counter-notice, and allow the event to go ahead, then they may impose one or more existing premises licence conditions but only if it considers it appropriate for the promotion of the licensing objectives.

6.4 Alternatively, the licensing sub-committee may decide to allow the licensable activities to go ahead as stated in the TEN without the imposition of any conditions.

6.5 A notice giving reasons for the sub-committee’s determination will need to be served on the premises-user, the Police and the Community Protection.

6.6 Appeals by the premises-user in respect of the determinations set out in paragraphs 11 and 12 above, or by the Police or EHA in respect of paragraph 13 above, must be made to the Magistrates' Court within 21 days, commencing on the day on which either party was notified of the decision either to issue, or not issue, a counter notice. However, no appeal may be brought later than 5 working days before the first day of the relevant event period.

Dear Licensing,

The above TEN raises serious concerns in regards to the potential for noise disturbance of residents living in the vicinity of the village of Buckenham which is located more or less opposite the application site on the other side of the River Yare. The issue of noise disturbance from events at the Beauchamp Arms have previously been raised with Mr Ray Hollocks who is the Licensee and owner of the Beauchamp Arms.

I did go out 'out of hours' and monitor the sound levels for an event held on the 21 December 2019 (Event held under Premises Licence) and again on the 8 February 2020 (TEN ref 20/00028/PLTEAS). The issue of excessive noise from the event held on the 21 December 2019 was raised with Mr Hollocks by email on the 23 December 2019 and again during a meeting I had with Mr Hollocks at the Beauchamp Arms on the 17 January 2020. Mr Hollocks did admit that there had been issues with the fire doors being left open for a period of time during the event on the 21 December event which I indicated was unacceptable.

During the above out of hours visits, I carried out monitoring in the area close to the Beauchamp Arms in Careton St. Peter on South side of the River Yare and around Buckenham on the North side of the River Yare. The sound levels South of the river was found to be acceptable. However, the sound levels North of the river at Buckenham were found to be significant. The bass beat was very audible and intrusive indicating significant break-out of sound from the above premises. The bass beat was clearly audible in my car which was parked outside Buckenham Station with the doors and windows closed.

The Beauchamp Arms itself appears to be acoustically weak especially the front of the premises facing the river where the greatest break-out of noise occurs. The poor sound insulation of the Beauchamp Arms will unfortunately limit the maximum sound level for events unless the building is better sound insulated.

I had asked the promoter who had submitted the TEN for the event on 8 February 2020 to provide in writing how noise would be managed during the event but this was never provided. I did text Mr Hollocks during the event stating the noise at Buckenham was very loud and intrusive and to ensure all of the windows and doors were closed. I did not receive a reply until several hours later, well after the event had finished. Mr Hollocks texted me again to say the promoter would contact me to discuss the noise issue with me directly. So far, I have yet to receive any contact from the promoter to discuss my concerns.
As a consequence, I would ask the event does not extend beyond the hours of 01:00 hours which is in line with Mr Hollock’s premises licence. I would also expect a summary of the controls that will be put in place to reduce the impact of noise from events held at the Beauchamp Arms which would may well include noise monitoring from both sides of the River Yare and to limit the sound levels, especially the low frequency (bass) component of the music during the event.

Unfortunately, I have little confidence that such events will be effectively managed based on my recent out of hours visits as described above. There is certainly a risk that the noise could be a nuisance in circumstances where windows are opened for ventilation purposes and therefore greater controls are required to reduce the level of noise such that they no longer adversely impact those living in the vicinity of the Beauchamp Arms. For the reasons given above I am objecting to the TEN (ref 20/00028/PLTEAS).

Kind Regards

Mr Ali A N J Pridmore
Senior Community Protection Officer
24 - Temporary Event Notice (TEN)

Certain temporary events are not required to be licensed but must be notified to the Council by using a Temporary Event Notice (TEN). However, depending on the nature and location of such events, these can have serious crime and disorder and public nuisance implications. Organisers of these events are encouraged to submit their notification as soon as reasonably practicable to enable the Police, Environmental Health and the Licensing Authority to work with them to identify and reduce the risks.

A Standard Temporary Event Notice must be received a minimum of ten clear working days prior to the event. A Late Temporary Event Notice must be submitted with a minimum of five clear working days and a maximum of nine clear working days prior to the event. There is no discretion for the Council to relax either the ten or the five working days requirement.

If a TEN is submitted in writing, separate copies of the TEN must be served by the event organiser on the Police and Environmental Health. If a TEN is submitted electronically, the event organiser is not required to serve the TEN on the Police or Environmental Health as the licensing authority will submit it on their behalf. Where possible the Council encourages TENs to be to be served electronically.
