County Lines Workshop
‘Taking action together’

On behalf of the County Community Safety Partnership and Norfolk Chief Executives of Norfolk

Norfolk like many areas has seen increasing activity from London-based drugs gangs who are exploiting vulnerable people to develop local drug markets using ‘County Lines’. As a new and emerging issue there is no rule book for how the problems and impacts on vulnerable people and communities can be tackled.

Significant enforcement activity has been undertaken by Norfolk Constabulary over the last 24 months under the banner Operation Gravity with the support from partners. However, it is clear that a different approach is needed to develop a coordinated approach across a wider number of organisations from the public, private and voluntary sector, to deal with the threats posed.

The criminals who run these networks will often oversee activity from a distance, exploiting and coercing children and young people who are used to move and store the drugs and money across Norfolk, with the homes of vulnerable adults taken over to provide a base for drug dealing. This results in exploitation, coercion, intimidation and violence to some of Norfolk’s most vulnerable children, young people and adults.

The impacts are devastating for the children, their families, vulnerable adults and their communities.

We strive to keep Norfolk one of the safest places in the country to live, work and visit and therefore the Norfolk community safety partnership has adopted county lines and violence reduction as a priority and is coordinating the Norfolk wide response. Partners are determined to tackle the threats posed by County Lines and recognise that a wider range of organisations need to be engaged in understanding the impacts of county lines as well as helping to guide, shape and deliver the response.

This programme of workshops is the next stage of this work.

We encourage and welcome the participation of all councils, agencies, service providers in this journey. By working together, we can strengthen our responses to meet the challenges we face.

Laura McGillivray
Chair Norfolk County Community Safety Partnership,
Chief Executive, Norwich City Council

Simon Bailey
Chief Constable
Aim of the workshop:

To establish strong, effective and collaborative organisations, to develop and deliver the Norfolk wide response to county lines focusing on protection, prevention, preparation and pursuing.

Outcomes:

- Raising awareness of the issues and impacts of county lines
- Understanding how we can take action to make a difference
- Identify gaps and barriers including training needs
- Encouraging a coordinated Norfolk wide approach

Who should attend?

Managers/Operational leads from both public and private sector organisations, specifically those with operational responsibility for delivering or providing services to communities, individuals and families across Norfolk.

Workshop themes

1. Transport – licensing, taxi company, British transport police, bus company, Greater Anglia, police
2. Street dealing – police, CGL, CCTV, shopping centre owners, street enforcement teams, NYOT
3. Cuckooing – housing (homelessness and RSL), CGL, leisure, parks, community development
4. Leaving care – children’s homes, leaving care team, police, looked after children team, NYOT
5. School exclusions – early help, school headteachers, school pastoral care,
6. Health – acute trusts, GPs, healthy child programme, public health
7. Vulnerable adults
8. Strategic planning

Date and Venue

18th October 2019, 9.00am – 12.30pm, Kings Lynn Town Hall, Saturday Market Place, King’s Lynn, Norfolk, PE30 5DQ. There is no charge to attend this event.

There is parking at the venue and several local car parks in the area. Information can be accessed here [https://www.west-norfolk.gov.uk/info/20184/find_a_council_car_park/342/car_parks_in_kings_lynn](https://www.west-norfolk.gov.uk/info/20184/find_a_council_car_park/342/car_parks_in_kings_lynn)

The Fire Fighters Charity comedy night is fast approaching and is a great opportunity for anyone to come down and enjoy an evening of entertainment in aid of the extremely worthwhile cause of the Firefighter's charity. The evening will showcase three comedians who perform on the national circuit and the home grown talent of Martin Westgate.

The compere Dave Ward is very much in demand. He’s a friendly upbeat comic with a cynicism that gives his comedy a unique gentle bite. He’s appeared at the Comedy Store, Jongleurs and many other live events. He’s supported Harry Hill and Frank Skinner and has appeared on Sky (Richard Littlejohn Show), C4 and on the BBC.

Our headliner is local firefighter's son Martin Westgate who appeared on Britain's Got Talent last year and is very kindly donating his time to raise funds for the Charity which could support his father should he ever need it.

Chris Kent, our second act hailing from Cork, Ireland and has appeared at the Edinburgh Festival and on Russell Howard's Stand Up Central show.

Ben Norris our third act is the cousin of actor Martin Freeman. He's appeared on 'Mock the Week' BBC1, 'The Comedy Store' Paramount and Comedy Central, 'Never mind the Buzzcocks' BBC2 and 'They think it's all over' BBC2. He's also appeared at the Apollo, Hammersmith and was Ed Byrne's tour support for his 2013 UK tour.

Many Norfolk Firefighters, colleagues and their families have been supported by all the Services that the Charity has to offer and this is an ideal and fun way to generate the much needed funds to allow this service to continue.

FAMILY SUPPORT NETWORK

Come and meet other parents, families and carers, share your experiences and find mutual support

Wednesday 23rd October
7–9pm
Lazar House, NR3 4HX
Join Assist Trust for the launch of their Family Support Network – themed evening events for families and carers to share their hopes and dreams and find answers to questions about the future

Assist Trust will host and facilitate these events but we hope your input will guide the topics for discussion on each occasion. We hope to invite specialist speakers to present each time and can hopefully find answers to the questions that arise – or at least signpost towards others who could help.

This first get together will have a housing focus but there will be plenty of time to discuss other topics and for you to meet others and to suggest ideas for future meetings.

We really hope that these quarterly get togethers will help families and carers meet and support each other. There are lots of people who have overcome all sorts of obstacles for the people they support and their experience can help others plan for the future or to cope with challenging situations.

Please come along and give it a try! (All parents and carers of adults with learning disabilities are welcome – not just those who attend Assist Trust services).

FISH Holiday Club – Long Stratton

‘Fish’ Holiday Club

What is it?
A new scheme in Long Stratton that aims to provide children between 5-11 years with 2 hours of fun and food during school holidays.
Parents/carers are free to join the children if they wish.

Why ‘FISH’?
It stands for Fun (and Food) in School Holidays, and is based on similar schemes being operated in the Norwich area.

When?
Our next sessions will take place on:

- October Half Term:
  - Friday 25 October 2019
- Christmas Holidays:
  - To be announced soon

Where?
In the hall behind the Congregational Church, Ipswich Road, Long Stratton, NR15 2TF. (Almost opposite the Police station)

Time?
We open the doors for registration at 11.45am and a 2-course lunch will be served at 12.15pm. (So come hungry!) We then have activities for all to enjoy until 2pm.

And best of all, this is completely free.

For further information or to book a place contact either: David (01508 531037), or Preston (01508 471006)
City of Wellbeing Initiative- Norwich

Norwich organisations come together in city of wellbeing initiative

A collaborative initiative to support the emotional wellbeing of Norwich residents will begin on World Mental Health Day (10th October).

The ‘City of Wellbeing’ initiative brings together charities, religious organisations and local businesses in the city centre, that can lend a listening ear to people experiencing emotional distress.

The scheme - devised by Healthwatch Norfolk - has so far had 12 organisations sign up to participate, including; Norwich Cathedral, Cropper’s barber shop, Grape’s Hill Community Garden, as well as various cafés and religious organisations across the city centre.

An appeal has been made by Healthwatch Norfolk for other businesses, charities and religious organisations in Norwich to offer to be included as a supporting location on the City of Wellbeing initiative in the future.

If you would like to attend the launch, or are interested in being included as a Norwich City of Wellbeing location, contact Healthwatch Norfolk by emailing, enquiries@healthwatchnorfolk.co.uk or calling on 01953 856029.

Norfolk Assistance Scheme

The Norfolk Local Assistance Scheme, (now known as the Norfolk Assistance Scheme (NAS)), was introduced in April 2013 as part of the Localism Agenda to replace parts of Discretionary Social Fund.

Over the past year, the scheme has been developed and improved by implementing an in-house model which launched on 1st July 2019. The scheme provides household goods through reuse awards and cash grants with personalised essential holistic support.

The aim of NAS is to support independent living and help Norfolk residents in crisis situations where their needs cannot be met by other organisations. As the awards that we offer are grants they do not have to be paid back.

The types of Award that we offer are:

- Grants for Items
  To support independent living, the grant can be used, for example, to set up their home following a period of institutional care. The grant helps with the cost of essential household items which includes; cookers, washing machines, beds, table and chairs and more.

- Cash Grants
  - Fuel (electricity and gas)
  - Daily living expenses
  - Child daily living expenses

The points required for successful application have been reduced. The scheme can therefore support a wider range of individuals and improve the daily living of a higher number of Norfolk people. This model has been designed to link in with Adult Social Services 1st conversation (initial contact “How can I connect you to things that will help you get on with your life ........) and NCC Living Well (Norfolk County Council is committed to supporting vulnerable people, promoting and providing options for people to remain independent)

NAS Advisors provide a wrap-around service to support individuals throughout the application process whereby applicants and/or their support organisations through multiagency working are assisted with sourcing other items and ongoing support via signposting/referring to alternative organisations.

Applications are to be made via an online form which can be found at https://www.norfolk.gov.uk/NAS. Individuals who wish to apply to the scheme but do not have access to the internet, can be supported by our dedicated NAS Team who will complete the application over the telephone via 01603 223392 option 5.

If you have any questions about the scheme or would like any further information, please contact the NAS Team on 01603 223392 option 5 and a member of staff would be happy to assist you.
Flu Vaccinations Press Release

Media release

18th September 2019

GP Surgeries open their doors to offer the flu vaccination

GP surgeries across Norfolk and Waveney are gearing up to provide special clinics to offer patients their annual flu jab.

Children aged between 2 and 10 years old will be offered the nasal spray vaccination. The adult flu vaccine is offered free to those in groups at particular risk of infection and complications from flu. The groups being offered the adult flu vaccine are:

- Pregnant women
- Those aged 65 or over
- Those aged under 65 with long-term conditions
- Carers

GP’s are asking their patients to book a place in forthcoming flu clinics as soon as they are advertised. Alternatively, you can visit your nearest participating pharmacy.

GP surgeries are also testing atrial fibrillation in patients over the age of 65. Although flu vaccinations are available from other outlets it is only GP surgeries who are offering the additional check for abnormal heart rates at the same time.

In addition to the atrial fibrillation and flu vaccination applicable patients are able to receive Pneumococcal vaccines protecting patients against the bacteria Streptococcus pneumoniae. The vaccine can prevent some cases of pneumonia, meningitis, and sepsis. A pneumococcal infection can affect anyone. However, some people are at higher risk of serious illness and can be given the pneumococcal vaccination on the NHS.

Dr Anoop Dhesi, Chair of North Norfolk CCG and Partner at Stalham Staithe GP Surgery said: “Flu can be incredibly unpleasant for many people but for a select few it can be fatal. The best way for people to protect themselves and loved ones around them is to get the vaccination on offer especially those offered it for free on the NHS.”

Dr Louise Smith, Director of Public Health said: “If you have a bad cold or the flu, you are best to manage your illness from home, without seeing a doctor or visiting a hospital. You shouldn’t need to see your GP unless the symptoms become particularly severe, last far longer than usual or if you have a long-term health condition. If you think you might be suffering from flu and are concerned that your symptoms are worsening you can call NHS 111 for advice.”

A previous pilot programme showed vaccinating children had dual benefit; as well as protecting them from flu, it also protects others, such as parents, grandparents and siblings, as children are ‘super spreaders’ and are much more likely to infect others.
Malnutrition Awareness Week - Survey

National survey of malnutrition and nutritional care
14th - 20th October

As part of UK Malnutrition Awareness Week 2019 (founded by the British Association for Parenteral and Enteral Nutrition (BAPEN) and the Malnutrition Task Force), we will be running a national malnutrition screening survey to help us understand more about the prevalence of malnutrition in adults and gain insights into the nutritional care they receive.

We would like to have as many people as possible across all health and social care settings (hospitals, care homes, mental health units, GP practices, domiciliary settings etc) to get involved during this week so we can get as big a survey as possible.

A simple electronic portal accessed via the BAPEN website and will allow you to quickly and easily input your data.

We really need your help to make this a success so mark the week in your diary, it’s a ‘MUST’!

5 EASY STEPS to get involved in the screening survey and help us make the most of UK MAW:

1. Register for access to the UK MAW screening portal so you are all ready to capture data during the week visit https://data.bapen.org.uk/maw/maw-home
2. Tell other colleagues about the week and encourage them to register too
3. Use ‘MUST’ to screen for malnutrition during UK MAW week from 14th – 20th October 2019
4. During the week enter your data into the portal, it is quick and simple to use and will do all the calculations of ‘MUST’ (Malnutrition Universal Screening Tool), for you from the data you enter.
5. To find out about other UK MAW activities logon to the BAPEN website www.bapen.org.uk/malnutrition-undernutrition/combating-malnutrition/malnutrition-awareness-week
Young Adult Carers
Personal Development Fund

Grants of up to £250 for young adult carers aged between 16-24, who provide care for a family member needing help due to disability, physical or mental health problem or addiction.
Our Personal Development Fund offers grants of up to £250 for young adult carers looking to gain new skills while having a break from their caring role.

We offer support in finding a suitable course of their choice which will build self-esteem, provide them with a sense of achievement, give them long lasting positive memories and help them to feel better about their caring role.

To qualify, young adult carers must:

- live in Norfolk
- demonstrate they are unable to fund the course themselves and can provide evidence their household income is below £25,000
- be able to attend the course without assistance

Applications by professional referral only.

Only one grant will be made per young adult carer in any two year period.

Courses must be in the UK.

Transport Options

Transport options (and improving them) is a topic which is important to many people in Norfolk, especially as we are a large, and mainly rural, county. For an overview of many of the issues that make transport complicated and/or challenging Norfolk County Council has created a general transport information page:

The following information is intended to help people with some of the more common transport challenges people face on a day to day basis. Information is best viewed online as you will have a better overview of the information available. Contact telephone numbers have been provided where this is not an option.

You don't drive/don't have a car, but can access public transport

**Suggestion:** Traveline has a useful website which enables you to check train and bus options for specific times and dates. Do check:

http://www.travelineeastanglia.org.uk/

If you need help to plan a journey, Traveline's national call centre can be contacted on 0871 200 2233 between 7am and 10pm seven days a week (more limited hours at Christmas/New Year). Calls cost 12p per minute plus your phone company's access charge.

You don't drive and can't access public transport

**Suggestion:** This enables anyone to search (for a specific address in Norfolk) community transport options. This includes flexi buses and dial a ride schemes. You can filter the results by day of the week and the type of journey.

Telephone 0344 8008020

https://maps.norfolk.gov.uk/findyourtransport/

There are no public transport options available to a specific destination

**Suggestion:** Check if Transport Plus may be able to help (this needs to be booked at least 3 working days in advance, subject to availability and meeting eligibility criteria).

Telephone 0344 8008020

Other barriers to using different transport options

Low income - many people are planning to make the same journey as another person. Liftshare enables people to either get some money for their petrol costs if they share their car with another passenger or contribute towards another person’s car costs by sharing the journey with them.

https://liftshare.com/uk/community/norfolk

Mobility – please visit the transport options page for a list of wheelchair accessible taxis.

The following link gives a short list for options in Norwich:

Breckland district council: 01362 656870
Broadland district council: 01603 431133
Great Yarmouth district council: 01493 856100
North Norfolk district council: 01263 513811
South Norfolk district council: 01508 533633

Transport for medical appointments

For one off cost support for specific journeys (e.g. attending a specialist hospital appointment) check if the NHS will help with a travel cost refund (specific eligibility criteria applies). If you’re referred to hospital or other NHS premises for specialist NHS treatment or diagnostic tests by your doctor, dentist or another primary care health professional, you may be able to claim a refund of reasonable travel costs under the Healthcare Travel Costs Scheme (HTCS).

You should take your travel receipts, appointment letter or card, plus proof that you’re receiving one of the qualifying benefits, to a nominated cashiers’ office to claim your travel costs. Nominated cashiers’ offices are located in the hospital or clinic that treated you. They’re responsible for assessing your claim and making the payment directly to you. You can make a postal claim up to 3 months after your appointment took place. Call 0300 123 0849 to order a paper copy of the form.

Or a charity may be able to help, like the Cancer Community Chest fund (eligibility criteria applies). Telephone 01603 717 898.
