1 SUMMARY

1.1 This report recommends the outcome of the Joint Appointment Panel for the appointment for the statutory Head of Paid Service for Broadland District Council and South Norfolk Council and to also appoint the same officer to be the Joint Managing Director.

2 BACKGROUND

2.1 Broadland District Council and South Norfolk Council, at their respective Council meetings on the 12 July 2018 agreed to the proposals for collaborative working and specifically to; create a new post of Joint Managing Director and to appoint to this post in accordance with the agreed timelines within the Feasibility Study report.

2.2 At these meetings, Broadland District Council and South Norfolk Council also agreed to set up a cross-party Joint Appointment Panel, specifically to lead on the recruitment process for the Joint Managing Director, with clear terms of reference set for the group as set out in the papers for the 12 July Council meeting.

2.3 The membership of the panel is:

- Cllr Kay Mason Billig – Chair (South Norfolk Council)
- Cllr Greg Peck - Vice Chair (Broadland District Council)
- Cllr John Fuller (South Norfolk Council)
- Cllr Christopher Kemp (South Norfolk Council)
- Cllr Trevor Lewis (South Norfolk Council)
- Cllr Andrew Proctor (Broadland District Council)
- Cllr Steve Riley (Broadland District Council)
- Cllr Shaun Vincent (Broadland District Council)

2.4 The Joint Managing Director will serve the two Councils, leading one joint officer team. This role will be focussed on the direction and oversight of operations of the Councils including their commercial and business-like drivers, and leading and managing the joint team to deliver the organisations key objectives. Additional focus will be providing external leadership of the organisation in its partnerships and with stakeholders. Central to the role will also be the leadership of “place” supporting members in this role.
3 AGREEMENT BETWEEN THE COUNCILS

3.1 Section 113 of the Local Government Act 1972 allows a local authority to enter into an agreement with another local authority to place its officers at the disposal of the other authority. Authorities must consult the officer involved before entering into such an agreement (which has been done as part of the recruitment process). Staff who are made available under such an arrangement are able to take binding decisions on behalf of the council at whose disposal they are placed, although they remain an employee of their original authority for the employment and superannuation purposes. This legislation therefore allows the Joint Managing Director to be shared between the two Councils.

3.2 The section 113 agreement makes provision for the employer council to place its officers at the disposal of the other and for the non-employer council to receive those services. It also covers the appointment and sharing of statutory officers and the discharge of their statutory responsibilities. Finally, it sets out the procedure for termination of the joint arrangements if any disputes arise which the councils are unable to resolve between them. A Memorandum of Understanding is also being developed to support this agreement.

3.3 For the Joint Managing Director post the employer council i.e. the appointing authority will be Broadland District Council and the non-employer council will be the South Norfolk Council, as agreed by the Joint Appointment Panel.

4 HEAD OF PAID SERVICE

4.1 Section 4 of the Local Government and Housing Act 1989 requires each council to designate one of their officers as the Head of Paid Service. The Joint Managing Director is an officer of the employer council and can also be regarded as an officer of the non-employer council due to the section 113 agreement. The Joint Managing Director will therefore act as Head of Paid of Service for each Council.

5 ELECTORAL REGISTRATION OFFICER AND RETURNING OFFICER

5.1 Section 8 of the Representation of the People Act 1983 requires every District Council to appoint an officer of the Council to be Electoral Registration Officer (ERO). Section 35 of the Representation of the People Act 1983 requires every District Council to appoint a Returning Officer (RO) for District and Parish Council elections.
5.2 The Electoral Registration Officer and the Returning Officer must be an officer of the Council. As Broadland District Council are the employer council they can take on these responsibilities by virtue of that appointment.

5.3 If South Norfolk Council require the same person to take on these responsibilities, then the Joint Managing Director needs to be “employed” by both authorities. Legal documents would need to be drawn up to progress this and this is currently being reviewed. However, there are practical issues about the same officer covering two areas in terms of where will this person be on polling day, how will issues arising be managed and what are the political expectations?

5.4 In reviewing other shared service council arrangements there are two models that are followed. The first is that these responsibilities are undertaken by the same officer, with a senior experienced deputy in post, and secondly, these responsibilities are undertaken for the employer council and that the non-employer council make alternative arrangements.

5.5 Broadland District Council are the employer council and the Joint Managing Director will be the Electoral Registration Officer and the Returning Officer from a date to be confirmed. The date of the appointment will depend on the level of experience the successful candidate brings with them. It is possible for interim arrangements to be put in place in order to conclude the May 2019 elections, through existing senior management staff with relevant experience in this area.

5.6 The appointment of the Electoral Registration Officer, their Deputy and the Returning Officer for Broadland District Council will be brought to Council on 1st November 2018 for formal conclusion.

5.7 South Norfolk Council will determine the appointment of the Electoral Registration Officer and Returning Officer role following the appointment of the Joint Managing Director. This member of staff needs to be employed by South Norfolk Council and practical arrangements will need to be considered should this be the Joint Managing Director, in particular that of the Returning Officer, to be fully and effectively carried out.

5.8 The appointment of the Electoral Registration Officer, their Deputy and the Returning Officer for South Norfolk Council will be brought to Council on 10th December 2018 for formal conclusion.

6 CONSTITUTIONAL ISSUES

6.1 The constitutions of both Councils include a number of references to the Chief Executive, Head of Paid Service, Electoral
Registration Officer and Returning Officer. These include powers within each scheme of delegation. The constitutions will require updating to reflect the outcomes and decisions reached by both Councils as part of this report, and the Monitoring Officers will ensure that this is appropriately actioned.

7 JOINT APPOINTMENT PANEL

7.1 The Joint Appointment Panel has met on four occasions as follows:

- Firstly, to approve the job description and person specification, the terms and conditions and the recruitment process and timelines.
- Secondly, to undertake the long listing and determine the assessment centre design, and thirdly to undertake the short listing.

7.2 Five candidates were shortlisted and the final meetings of the panel to undertake a comprehensive assessment centre and interviews will be held on the 27 and 28 September, the conclusion of which will be reported verbally on the 4 October to Council, with minutes tabled, as a recommendation for the appointment of the Head of Paid Service for both Councils and the Joint Managing Director role.

8 PROPOSED ACTION

8.1 The Council is asked to approve the recommendation of the Joint Appointment Panel for the position of the Joint Managing Director and Head of Paid Service for both Councils.

9 RESOURCE IMPLICATIONS

9.1 The resource implications, in particular the financial implications are in relation to the salary of £140,000 - £160,000, plus any on-costs. The funding of the recruitment exercise was agreed as part of previous reports to Council.

9.2 The contract for the Joint Managing Director will ensure that the interests of both Broadland District Council and South Norfolk Council are safeguarded.
10  LEGAL IMPLICATIONS

10.1 The legal implications of the appointment of the Joint Managing Director, Head of Paid Service and the employment and other issues arising there from are covered in the body of the report. The arrangements that are in place for the current Chief Executives, have had appropriate legal oversight.

11  EQUALITY IMPLICATIONS

11.1 The selection process has been rigorous, transparent and documented to adhere to good practice and equalities legislation.
